If any objections are raised within the five (5) day period, Escrow Agent is authorized to hold all money, papers and documents with respect to the Site until instructed in writing by both City and Developer or, upon failure thereof, by a court of competent jurisdiction. If no such demands are made, Escrow shall be closed as soon as possible. Nothing in this Section 9.8 shall be construed to impair or affect the rights or obligations of City or Developer to the respective rights and remedies granted to them pursuant to Section 17 below.

9.9 Amendments to Escrow Instructions. Any amendment of these escrow instructions shall be in writing and signed by both City and Developer. At the time of any amendment, Escrow Agent shall agree to carry out its duties as Escrow Agent under such amendment. All communications from Escrow Agent to City or Developer shall be directed to the addresses and in the manner established in Section 18.5 below for notices, demands and communications between City and Developer.

9.10 Liability of Escrow Agent. The liability of Escrow Agent under this Agreement is limited to performance of the obligations imposed upon it under Sections 5 and 9 to 13, inclusive, of this Agreement.

10. CONDITIONS TO CLOSE OF ESCROW

10.1 Closing Date and Conditions to Developer's Obligation to Close. Subject to the terms of this Agreement, the Closing shall occur within thirty (30) days after the date which is two (2) years from the Effective Date, on a specific date mutually agreed upon between the parties ("*Closing Date*"). Notwithstanding any other provision of this Agreement, Developer's obligation to proceed with the Close of Escrow is subject to the fulfillment or waiver by Developer of each of the conditions precedent described below, which are solely for the benefit of Developer and which shall be fulfilled or waived by Developer at its sole discretion prior to the Close of Escrow:

(a) City shall not be in violation of any of its material obligations under this Agreement, including, without limitation, City having executed, acknowledged where required, and deposited with Escrow Agent all of the documents and deposits required to be delivered and made by City as required herein;

(b) Escrow Agent is prepared to issue the Title Policy as required herein;
and

(c) City's representations and warranties set forth in this Agreement are true and correct in all material respects as of the Closing.

10.2 Conditions to City's Obligation to Close. Notwithstanding any other provision of this Agreement, City's obligation to proceed with the Close of Escrow is subject to the fulfillment or waiver by City of each of the conditions precedent described below, which are solely for the benefit of City and which shall be fulfilled or waived by City at its sole discretion prior to such Close of Escrow:

(a) Developer shall not be in violation of any of its material obligations under this Agreement, including, without limitation, (i) Developer having executed, acknowledged where required, and deposited with Escrow Agent all of the documents and deposits required to be delivered and made by Developer as required herein and (ii) Developer being in full compliance with the Schedule of Performance in all respects in connection with all matters to be completed prior to Closing;

(b) The Project Financing has been obtained and is ready to fund the construction of the Project;

(c) Developer has obtained all approvals for the Project, including, without limitation, the granting of Incentive Bonuses, if any, and approval of the Project DSLURS;

(e) Developer's representations and warranties set forth in this Agreement are true and correct in all material respects as of the Closing.

10.3 Failure of Condition; Return of Earnest Money Deposit.

(a) In the event the condition to Developer's obligation to the Close of Escrow set forth in Sections 10.1 above is not satisfied by the Closing Date, Developer may terminate this Agreement by written notice to City and Escrow Agent. Upon such termination, Developer shall pay to Escrow Agent an amount equal to the cost of the cancellation of Escrow, Escrow Agent shall immediately refund to Developer its full Earnest Money Deposit and neither Party will have any further rights or obligations under this Agreement (except for any obligation intended to survive Close of Escrow).

(b) In the event the condition to City's obligation to the Close of Escrow set forth in Sections 10.2 above is not satisfied by the Closing Date, City may terminate this Agreement by written notice to Developer and Escrow Agent. Upon such termination, Developer shall pay to Escrow Agent an amount equal to the cost of the cancellation of Escrow, Escrow Agent shall immediately release the full Earnest Money Deposit to City and neither Party will have any further rights or obligations under this Agreement (except for any obligation intended to survive Close of Escrow).

11. CONDITION OF TITLE.

(a) Within three (3) business days of the Effective Date, Developer shall order from Escrow Agent a title commitment (the "*Title Commitment*") for the issuance of a ALTA Extended Owner's Policy, with such ALTA extended coverage being at Developer's sole cost and expense, covering the Site in an amount equal to the Purchase Price, issued by the Escrow Agent together with copies of all instruments (the "*Title Instruments*") reflected as exceptions therein,

including, but not limited to, any easements, restrictions, reservations, terms, covenants, or conditions which may be applicable to or enforceable against any of the Site. The Title Commitment shall show City to be owner of good and indefeasible fee simple title to the Site and contain the "standard printed exceptions". Within thirty (30) days after delivery of the Title Commitment and Title Instruments to Developer, Developer shall have the opportunity to review the Title Commitment and Title Instruments and to object in writing to any matter contained therein (the "*Title Review Period*"). Developer need not object to any consensual monetary liens and encumbrances, *e.g.*, deed of trust, security agreement, financing statement, and City shall eliminate all such consensual monetary liens and encumbrances at or prior to the Closing. If Developer notifies City of any objections, City may elect to either cure the item(s) to which Developer objects or notify Developer that City is unwilling to cure the objectionable item(s). If City elects to cure the objectionable item, City shall, on or before one (1) day prior to the expiration of the Feasibility Review Period, eliminate or modify such objectionable item(s) to the reasonable satisfaction of Developer (the "*Cure Period*"). If City fails to notify Developer of City's election, elects not to cure, has not cured or is unable to cure objections of Developer within the Cure Period, Developer may, at its option, and as Developer's sole remedy, terminate this Agreement by written notice to City and Escrow Agent at any time prior to the expiration of the Feasibility Review Period, in which case the Earnest Money then on deposit shall be immediately returned to Developer by the Escrow Agent, and neither Party shall thereafter have any further duties, rights or obligations hereunder with respect to this Agreement, except those that expressly survive termination.. Any exceptions accepted by Developer, not timely objected to during the Title Review Period, or any uncured objections that Developer waives or accepts at the Closing shall be hereafter collectively referred to as "Permitted Encumbrances". Possession of the Site shall be delivered at the Closing free and clear of all parties in possession, except the Permitted Encumbrances.

(b) Additional and/or Uncured Exceptions. If at any time after expiration of the Title Review Period and prior to the Closing Developer receives notice from Escrow Agent that title to the Site is subject to any additional exceptions not appearing on the original Title Commitment, then Developer may notify City in writing within five (5) days after Developer receives notice of such additional exceptions of any objections Developer may have with the new exceptions (the "*Additional Objections*"). Notwithstanding the foregoing, City agrees that it will not cause the Site to be subject to any additional exceptions during the pendency of this Agreement without Developer's prior written consent.

(c) Failure to Cure Prior to Closing. If City fails to cure any Additional Objections prior to the Closing, then Developer may, at its option, terminate this Agreement by written notice to City. If this Agreement is terminated, then all of the Earnest Money shall be returned promptly to Developer. City shall pay one-half (1/2) of all costs, fees, and expenses payable to the Escrow Agent in the event of such a termination, and neither Party shall thereafter have any further duties, rights or obligations hereunder with respect to this Agreement, except those that expressly survive termination. If Developer does not terminate this Agreement, then Developer shall be deemed to have accepted any uncured Additional Objections as Permitted Exceptions.

12. TITLE INSURANCE. Concurrently with recordation of the Deed, and as a condition of Closing, Escrow Agent and any required co-insurer shall provide and deliver to Developer a title insurance policy in the amount designated by Developer issued by Escrow Agent

insuring that title to the Site is vested in Developer and/or its assignee in the condition required by Section 11 of this Agreement (the "*Title Policy*"). Developer shall pay the cost of the Title Policy and the cost of any special endorsements requested by Developer.

13. PRORATIONS. Except as may be otherwise expressly provided in this Agreement, all revenues, income and expenses of the Site with respect to the period prior to the Close of Escrow shall be for the account of City, and all revenues, income and expenses of the Site with respect to the period after the Close of Escrow shall be for the account of Developer. To the extent practicable, City and Developer shall request cut-off statements of expenses as of the Close of Escrow. If cut-off statements are not available, the expenses shall be prorated as of the Close of Escrow on the basis of a thirty (30) day month and a three hundred sixty-five (365) day year, and shall be paid or credited by City to Developer or by Developer to City, as the case may be, at the Close of Escrow. In addition, if any of the expenses cannot be accurately allocated on the Close of Escrow, the same shall be allocated as soon as practicable after the Close of Escrow, but not more than ninety (90) days thereafter, and either City or Developer shall promptly pay to the other the sum determined pursuant to such subsequent allocation.

14. FEASIBILITY REVIEW; AS-IS SALE

14.1 Feasibility Review.

(a) Commencing on the Effective Date and thereafter for a period of ninety (90) days ("*Feasibility Review Period*"), Developer, and its respective employees, agents, representatives, architects, engineers, consultants and contractors (collectively, the "*Due Diligence Authorized Parties*"), shall have the right, at all reasonable times and upon prior two (2) City-business days' notice given to the City (which may be telephonic or by email to an appropriate individual), and subject to the remaining provisions of this Section 14.1, to enter the Site and conduct such investigations as Developer in its discretion may desire or authorize in order to evaluate the desirability of its developing the Site, it being agreed that any delegation of its rights under this Section 14.1 shall not release Developer of any of its obligations and duties to the City under this Article 14. Developer may request one thirty (30) day extension to the Feasibility Review Period at no cost by submitting such request to City no later than five (5) City-business days' prior to the then-expiration of the Feasibility Review Period.

(b) (i) City and its authorized and designated agent(s) shall have the right to be present upon any entry of the Site by Developer or any Due Diligence Authorized Parties, (ii) Developer and its Due Diligence Authorized Parties shall conduct their investigations in a manner so as to minimize interference with Site occupants and the operations, and otherwise in accordance with standards customarily employed in the industry and all Requirements, (iii) Developer shall pay in full for all materials, if any, supplied, used, joined, or affixed to the Site, and all persons who perform labor upon the Site, in connection with investigations, shall not permit or suffer any mechanic's or materialman's lien of any kind or nature to be enforced against the Site relating to investigations and shall, promptly remove any lien filed against the Site for work performed or materials delivered connection with the investigations, (iv) Developer promptly shall restore to the extent practicable any portion(s) of the Site disturbed by its investigations, and (v) if Developer undertakes any boring or other disturbance of the soils on the Site, the soils so disturbed will be recompacted to substantially their original condition as of the date of such boring or other

disturbance, or, as an alternative to filling and recompacting borings with soil, Developer shall have the right to fill such borings with neat cement or bentonite in compliance with the Nevada Department of Environmental Protection's fact sheet for filling abandoned wells. The foregoing authorization shall extend to soil borings with drilling rigs and hand augers and groundwater sampling with bailers or comparable equipment, but shall not be construed to authorize Developer to install groundwater monitoring wells or excavate soils with earth moving equipment.

(c) Developer may elect, at any time prior to the expiration of the Feasibility Review Period, to terminate this Agreement as a result of Developer's disapproval of any matters related to the Site; provided, however, that if Developer fails to notify City and Escrow Agent of Developer's disapproval of any matters no later than the date of expiration of the Feasibility Review Period (as may be extended), the Developer will be deemed to have approved the feasibility and this condition will be deemed satisfied. If this Agreement is terminated pursuant to the foregoing provisions of this Section 14, Developer shall pay to Escrow Agent an amount equal to the cost of the cancellation of Escrow; neither party will have any further rights or obligations under this Agreement (except for any obligation intended to survive a closing); and Escrow Agent shall immediately refund to Developer its Initial Earnest Money Deposit.

14.2 Developer Indemnity. Developer hereby agrees to indemnify, hold harmless and defend City, and its officers, employees and agents (individually and collectively, the "*City Parties*"), from and against any and all Liabilities incurred by any of the City Parties caused in whole or in part by Developer's investigations at the Site. Developer shall deliver to the City concurrently herewith a certificate of insurance substantiating coverage in a minimum amount of \$2,000,000.00 combined single limit bodily injury and broad form property damage coverage, including broad form contractual liability, written on a "occurrence" basis and naming the City as an additional insured. Each insurance company's rating as shown in the latest Best's Key Rating Guide shall be disclosed and entered on the required certificate of insurance and shall be no lower than "A- VII". The Parties agree that the insurance specified in this Section 14.2 to be obtained by Developer shall not limit the liability of Developer hereunder.

14.3 Ownership of Reports and Studies. City agrees and acknowledges that all right, title and ownership of all proprietary and non-proprietary reports and studies pertaining to the Site, including but not limited to marketing and research studies, internal planning studies, architectural drawings and renderings, surveys, and geotechnical and environmental reports and studies shall be the sole property of Developer. Notwithstanding the foregoing, if this Agreement is terminated and/or Developer fails to develop the Project, Developer shall deliver to City any and all reports, studies and data concerning the physical condition of the Site obtained by or for Developer, provided such delivery shall be without representation or warranty as to the accuracy of any such reports, studies or data.

14.4 As Is Nature of Transaction.

(a) Developer acknowledges and agrees that City has not made, does not make, and specifically negates and disclaims any representations, warranties, promises, covenants, agreements, or guaranties of any kind or character whatsoever, whether express or implied, oral or written, past, present, or future, of, as to, concerning, or with respect to the Site or any improvements thereon, (a) the value, nature, quality, or condition of any of the Site, including,

without limitation, the water, soil, and geology, (b) the income to be derived from any of the Site, (c) the suitability of any of the Site for any and all activities and uses that Developer may conduct thereon, (d) the compliance of or by any of the Site or its operation with any laws, rules, ordinances, or regulations of any applicable governmental authority or body, (e) the habitability, merchantability, marketability, profitability, or fitness for a particular purpose of any of the Site, (f) the manner or quality of the construction or materials, if any, incorporated into any of the Site, (g) the manner, quality, state of repair, or lack of repair of any of the Site, (h) compliance with any Environmental Laws, including the existence in or on any of the Site of Hazardous Materials, (i) the sufficiency of any plans, plats, drawings, specifications, reports, studies, and/or documents assigned and/or delivered by City, (j) the sufficiency, completeness, compliance or the standard to which any improvements on or serving the Site were constructed, maintained or repaired, and (k) any other matter with respect to the Title Commitment, and/or the Site.

(b) Developer further acknowledges and agrees that Developer is relying entirely on Developer's own investigations and examinations as to any and all matters including, without limitation, the Title Commitment, and/or the Site. Developer acknowledges that it has, or will have prior to Close of Escrow, performed any and all inspections Developer deems necessary or appropriate for Developer to be satisfied with the acceptability of the purchase and sale and other transactions contemplated by this Agreement. Developer further acknowledges that any information provided or made available to Developer by City, or its officers, employees, agents, brokers, representatives, or others was obtained from a variety of sources and that City has not made any independent verification of such information and, except for the express representations, makes no representations as to the accuracy or completeness of any such information, and such information was provided or made available solely as a courtesy, and that Developer had the sole responsibility for determining the existence or nonexistence of any fact material to Developer's decision to consummate this Agreement. City is not liable or bound in any manner by any verbal or written statements, representations, or information pertaining to any of the Site, or the operation thereof, furnished by any real estate broker, agent, employee, servant, or other person. Developer acknowledges that, except for the express representations, its purchase of any of the Site hereunder is on an "as-is" "where-is" and "with all faults" basis without any implied warranties, and upon consummating any such purchase, Developer accepts and agrees to bear all risks regarding all attributes and conditions, latent or otherwise, of the Site acquired by Developer.

(c) Developer, for itself, its successor and assigns, and for each and every subsequent owner or lessee of the Site ("*Releasing Parties*"), hereby mutually releases, waives, remises, acquits and forever discharges all rights, causes of action and claims which Developer has or may have in the future against City, its officers, employees, agents, attorneys, representatives, legal successors and assigns, from any and all claims, suits, actions, causes of action, demands, rights, damages, costs, expenses, penalties, fines or compensation whatsoever, direct or indirect, which Developer or any Releasing Party now has or which Developer or any other Releasing Party may have in the future on account of or in any way arising out of or in connection with Hazardous Substances, Environmental Claims or other violation of Environmental Laws arising out of or in connection with any other physical or environmental condition of the Site. Developer hereby agrees to hold harmless and indemnify the City Parties from any claims, judgments, penalties, fines, losses, damages, expenses (including reasonable

attorneys' fees) against or incurred by City Parties after the Close of Escrow of the Site to Developer arising in any way from (i) the presence of Hazardous Substances or environmental conditions at, on, beneath or from the Site, (ii) Environmental Claims or (iii) the application of Environmental Laws to the Site.

14.5 Survival. Sections 8, 14.2 and 14.4 shall survive any termination of this Agreement and any Close of Escrow hereunder and shall not merge into the Deed or any other instrument of transfer.

15. CONVEYANCE FREE OF POSSESSION.

The Site shall be conveyed free of any possession or right of possession by any other Person except subject to the title matters set forth in Section 11 above.

16. GOVERNMENTAL PERMITS.

Nothing in this Agreement shall affect the responsibility of Developer to seek, obtain and comply with the conditions of any and all permits and governmental authorizations necessary to develop the Site or any portion thereof. Developer shall be responsible for the payment of all permit fees and any other fees in connection with the development and construction of the Project. Developer acknowledges and agrees that City does not issue any permits or approvals related to the development and construction of the Project and that all such permits or approvals must be issued by the respective agency having approval authority.

17. DEFAULT AND REMEDIES

17.1 Developer Event of Default. The occurrence of any of the following prior to the Close of Escrow, shall be a "*Developer Event of Default*" hereunder:

(a) The failure by Developer to timely deliver (i) the Initial Earnest Money Deposit or Additional Earnest Money Deposit, as applicable, (ii) the Closing Payment or (iii) the deposits as required by Sections 9.2 and 9.4 above, unless such failure is as a result of the failure to be satisfied of one or more of Developer's conditions precedent to the Close of Escrow set forth in Section 10.1 above;

(b) The filing of a petition or the institution of proceedings of, by, or against Developer pursuant to the Bankruptcy Reform Act of 1978, as amended, or any successor statute or pursuant to any state bankruptcy, insolvency, moratoria, reorganization, or similar laws which is not dismissed within ninety (90) days; or Developer's making a general assignment for the benefit of its creditors or the entering by Developer into any compromise or arrangement with its creditors generally; or Developer's becoming insolvent in the sense that Developer is unable to pay its debts as they mature or in the sense that Developer's debts exceed the fair market value of Developer's assets;

(c) Except for defaults pursuant to Section 17.1(a) above, the failure of Developer to perform any material act to be performed by it, to refrain from performing any material prohibited act or to fulfill any material condition to be fulfilled by it under this Agreement,

or under any agreement referred to herein or attached hereto as an exhibit, including, without limitation, meeting the requirements of the Schedule of Performance, which failure is not cured by Developer within the relevant cure period set forth below. Developer shall cure any monetary default within five (5) business days after receipt of written notice from City. Developer shall cure any nonmonetary default within fifteen (15) business days after receipt of written notice from City; *provided, however*, that in the event that such nonmonetary default is of a nature that it cannot be cured within such fifteen (15) business day period, then Developer shall commence to cure such failure within such fifteen (15) business day period and shall diligently prosecute such cure to its completion, provided that in all events the cure must be completed within sixty (60) days and if not cured within such sixty (60) days, it will be conclusively deemed unable to be cured; or

(d) Any of Developer's representations and warranties set forth in Section 7.2 above to be untrue in any material way as of the Closing Date.

17.2 City's Remedy.

If Developer does not terminate this Agreement on or before the expiration of the Feasibility Review Period and thereafter fails to Close Escrow due to no fault of City or fails to obtain the Project Entitlements or Development Permits as provided in Sections 6.6 and 6.7 hereof, then City may by written notice to Developer terminate this Agreement. Upon such termination Developer shall have no further rights under this Agreement and THEN CITY MAY RETAIN, AS ITS SOLE AND EXCLUSIVE REMEDY, THE EARNEST MONEY DEPOSIT (OR APPLICABLE PORTION THEREOF AS PROVIDED IN SECTION 6.6), TOGETHER WITH ALL EARNINGS THEREON AS CITY'S LIQUIDATED DAMAGES FOR THE FAILURE BY DEVELOPER TO CLOSE THE ACQUISITION OF THE SITE. IT IS EXPRESSLY UNDERSTOOD AND AGREED BETWEEN CITY AND DEVELOPER THAT CITY'S ACTUAL DAMAGES FOR THE FAILURE BY DEVELOPER TO CLOSE THE ACQUISITION OF THE SITE WOULD BE SUBSTANTIAL BUT EXTREMELY DIFFICULT TO ASCERTAIN.

17.3 City's Event of Default. The occurrence of any of the following prior to the Close of Escrow, shall be a "*City Event of Default*" hereunder:

(a) the failure of City to perform any act to be performed by it, to refrain from performing any prohibited act or to fulfill any condition to be fulfilled by it under this Agreement unless such failure is as a result of the failure to be satisfied of one or more of City's conditions precedent to the Close of Escrow set forth in Section 10.2 above; or

(b) any of City's representations and warranties set forth in Section 7.1 above shall be untrue in any material way as of the Closing Date.

17.4 Developer's Remedies. In the event of a City Event of Default prior to the Close of Escrow, Developer's sole remedy shall be to pursue one, and only one, of the following remedies:

(a) to waive such default;

(b) to terminate this Agreement and on such termination City shall have no liability or obligation hereunder, including, without limitation, any liability for Developer's costs and expenses incurred in connection with its undertakings under this Agreement or in any other way in connection with the Project. Upon such termination, Escrow Agent shall immediately refund to Developer its Earnest Money Deposit, or applicable portion thereof; or

(c) to demand specific performance of City's obligations under this Agreement.

(a) Development. Developer agrees that the design, permitting, Commencement of Construction, and Completion of Construction shall be undertaken and completed in strict compliance with the Schedule of Performance, subject to extension due to Unavoidable Delay.

2.2 Site Restrictions. The violation of any of the following requirements within ten (10) years after the recordation of this Declaration shall constitute a default hereunder and a breach of the Restrictions, which shall entitle CLV to exercise any of the rights and remedies set forth in Sections 4.1-4.3(a)-(c).

(a) Uses. No portion of the Site or improvements thereon or any portion thereof shall be developed, used, operated or maintained with any facilities other than the Specific Facilities and such minor structures as may be incidental to the use as a mixed use development, or for any other purpose inconsistent with a mixed use development, unless expressly approved by CLV, which approval shall be granted or withheld by CLV in its reasonable discretion; notwithstanding the foregoing, in the event of a casualty or condemnation with respect to all or a portion of the Site or the Specified Facilities that renders reconstruction or redevelopment in strict accordance with the Final Plans and Drawings impossible or materially cost prohibitive, Developer may raze improvements previously constructed and redevelop and/or reconstruct the Site and the improvements thereon in accordance with revised plans and drawings so long as such revised plans and drawings are (i) consistent with the purpose of a mixed-use multifamily residential development and (ii) obtain any required approvals pursuant to the Requirements in connection with such reconstruction or redevelopment.

(b) Subdivision. Except as may be otherwise indicated in the Final Plans and Drawings or as otherwise approved by CLV in writing, including in connection with

any redevelopment of the Site pursuant to Section 2.2(a), Developer shall not affect any change or amendment to any parcel or final map covering the Site or record any further parcel or final map of the Site or any portion thereof or facilities thereon, pursuant to the NRS, or any similar statute hereafter enacted, and any local ordinances adopted pursuant thereto, nor shall Developer file any applications with any governmental agency with respect to any of the foregoing matters.

(c) Zoning. Developer shall not use or develop or attempt to use or develop the Site or any portion thereof for any purpose other than the Project, or those other purposes expressly allowed (without the benefit of a zone variance, special use permit, exception or other special administrative procedure) under the zoning ordinance or ordinances of the governmental entity having zoning jurisdiction over the Site in effect as of the date of recordation of this Declaration. Additionally, Developer shall not change or attempt any change in zoning, or obtain or apply for a zoning variance or exception or other similar approval with respect to the use or development of the Site or any portion thereof not expressly allowed under such existing zoning without first obtaining the written consent of CLV.

3. DEVELOPER OPERATING COVENANTS

3.1 General Obligations. Upon Completion of Construction, Developer shall at all times thereafter maintain and operate the Project in substantial conformance with the terms of this Section 3. Developer acknowledges that a material part of the consideration of CLV conveying the Site to Developer is Developer's agreement to comply with the terms and conditions of this Section 3.

3.2 Intentionally Omitted.

3.3 Waste or Nuisance. Developer shall not commit or knowingly suffer to be committed any material physical waste upon the Site and shall not conduct its business so as to impair, in CLV's reasonable opinion, the reputation of the City of Las Vegas.

3.4 Intentionally Omitted.

3.5 Intentionally Deleted.

3.6 Conveyance. Developer agrees that Developer shall not assign or transfer all or any part of its interest in the Site and/or the Project without City approval prior to Completion of Construction of the Project. Notwithstanding the foregoing, Developer shall have the right, without CLV's consent, to (i) collaterally assign its rights and obligations in this Declaration to a financial institution(s) or lender(s) (each, "*Developer's Lender*") for the purposes of granting a security interest in the Site and/or Project, (ii) to grant security interests in the Site and/or Project, including any lien, mortgage, or deed of trust (each, a "*Mortgage*"), and (iii) to transfer its interest in the Site and/or Project and assign its rights and obligations under the Declaration to Developer's Lender in connection with Developer's Lender's exercise of an action to foreclose or otherwise enforce a lien, mortgage or deed of trust on the Site and/or Project, provided, however, that any foreclosure or other enforcement of a lien mortgage or deed of trust shall be subject to this Declaration. Notwithstanding the foregoing prohibition on Developer's power to convey the Site,

Developer may transfer or assign this Agreement without obtaining CLV's prior written approval to a Developer Affiliate in connection with the financing, construction, development, or operation of the Project so long as Developer, or an Affiliate of Developer, is in charge of and has authority over the management of the development of Project and Developer, or an Affiliate of Developer, has some equity ownership in the assignee. CLV shall have thirty (30) days after Developer (i) gives written notice to CLV of a proposed assignment or transfer to any other person, entity, investor, builder or developer requiring CLV's approval hereunder; and (ii) provides CLV with such information as reasonably required by CLV to make an informed decision to review and approve such assignment or transfer. Failure of CLV to disapprove any proposed assignment or transfer in writing within such thirty (30) day time period shall constitute approval thereof by CLV unless approval of the City Council is required in which case the time for such approval will be extended in order to comply with the required and customary procedures for obtaining approval of the City Council.

3.7 Indemnity.

(a) The CLV Indemnified Parties shall not be liable to Developer for, and, prior to Completion of Construction of the Project, Developer shall indemnify, defend and hold the CLV Indemnified Parties harmless from and against, any loss, cost, liability, claim, damage, expense (including, without limitation, reasonable attorneys' fees and disbursements), penalty or fine caused in whole or in part by Developer: (A) any injury (whether physical, economic or otherwise) to Developer or to any other Person in, about or concerning the construction and the ongoing ownership and operation of the completed Project; or (B) any damage to, or loss (by theft or otherwise) of, any of Developer's property or of the property of any other Person in, about or concerning the Project, or the use or occupancy thereof, irrespective of the cause of injury, damage or loss (including, without limitation, the acts or negligence of any tenant or occupant of the Project or of any owners or occupants of adjacent or neighboring property or caused by any construction or by operations in construction of any private, public or public work) or any latent or patent defects in the Project; or (C) any act, omission or negligence of Developer or its Affiliates or of the contractors, agents, servants, employees, guests, or licensees of Developer or its Affiliates; except to the extent any of the matters described in clauses (A) or (B) is due to the gross negligence or willful misconduct of any CLV Indemnified Party..

(b) Developer shall notify CLV within thirty (30) days of any occurrence at the Project within those matters described in Section 3.7(a) of which Developer has notice and which Developer receives written notice of a claim, complaint or suit against the CLV Indemnified Parties. If the City receives written notice of any such claim, complaint, or suit against the CLV Indemnified Parties, the City shall use reasonable efforts to notify Developer within thirty (30) days of such written notice.

(c) The obligations of Developer under this Section 3.7 shall not be affected in any way by the absence or presence of insurance coverage (or any limitation thereon, including any statutory limitations with respect to workers' compensation insurance), or by the failure or refusal of any insurance carrier to perform an obligation on its part under insurance policies affecting the Project; *provided, however*, that if CLV actually receives any proceeds of

Developer's insurance with respect to an obligation of Developer under this Article, the amount thereof shall be credited against, and applied to reduce, any amounts paid and/or payable hereunder by Developer with respect to such obligation.

(d) If any claim, action or proceeding is made or brought against any CLV Indemnified Party which is or may be subject to indemnification by Developer hereunder, then, upon demand by CLV or such CLV Indemnified Party, Developer shall either resist, defend or satisfy such claim, action or proceeding in such CLV Indemnified Party's name, by the attorneys for, or approved by, Developer's insurance carrier (if such claim, action or proceeding is covered by insurance) or such other attorneys as CLV shall reasonably approve. The foregoing notwithstanding, such CLV Indemnified Party may, at its own expense, engage its own attorneys to defend such CLV Indemnified Party, or to assist such CLV Indemnified Party in such CLV Indemnified Party's defense of such claim, action or proceeding, as the case may be.

(e) Following the occurrence of Section 3.6(d) above, each CLV Indemnified Party shall promptly notify Developer of the imposition of or incurrence by such CLV Indemnified Party of any cost or expense as to which Developer has agreed to indemnify such CLV Indemnified Party pursuant to the provisions of this Section 3.7. Subject to the right of Developer to contest in good faith such amounts due to any CLV Indemnified Party, Developer agrees to pay such CLV Indemnified Party all amounts due under this Section 3.7 within sixty (60) days receipt of the notice such CLV Indemnified Party.

3.8 Insurance.

(a) Prior to Commencement of Construction on the Site, Developer shall obtain and, at all times prior to Completion of Construction, maintain in effect the following policies of insurance: (a) workers' compensation insurance covering liability arising from claims of workers in respect of and during the period of the performance of the work on the Site; and (b) a standard "all risk" Builder's Risk Policy.

(b) Prior to Commencement of Construction on the Site and at all times prior to Completion of Construction, Developer shall maintain in effect commercial general liability insurance and/or excess umbrella policy with a single per occurrence limit of not less than Two Million Dollars (\$2,000,000) with respect to the Site and the operations of Developer in, on or about the Site;

(c) All policies of insurance shall be issued by insurance companies authorized to do business in Nevada and with a financial rating of at least "A-VII" status as rated in the most recent edition of Best's Insurance Reports, or such other insurers to which CLV may consent in writing. All such policies shall provide coverage against claims which may arise out of or result from Developer's performance of the work on the Site or which may arise in connection with the activities of Developer, any contractor or subcontractor of Developer, or anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable. Developer shall furnish CLV with certificates of all insurance policies required under this Section 3.7 within the time periods required in this Section. Each policy shall provide that it may not be canceled in coverage until twenty (20) days after written notice shall have been given to CLV of

such cancellation. In the event of any reduction in the coverage amount, Developer shall promptly notify CLV. All insurance required hereunder (except worker's compensation) shall name CLV and the CLV Indemnified Parties as additional insureds. Notwithstanding the above, Developer shall have the right to provide and maintain the coverage provided for in Section 3.7 above through a program of self-insurance or from an affiliated carrier, which provides insurance to or for Developer, or a combination of both.

4. ENFORCEMENT OF RESTRICTIONS

4.1 General Purpose and Constructive Notice. The Restrictions shall be binding upon Developer, its successors and assigns, and shall be enforceable solely by CLV. Except as specifically set forth herein, the Restrictions shall remain in full force and effect for the period of time specified in Section 2.2, notwithstanding CLV's exercise of any right or remedy herein due to a previous or repeated violation of any one or more of the Restrictions. Notwithstanding the foregoing, to the extent any Restrictions are to be performed up to Completion of Construction, such Restrictions shall terminate upon Completion of Construction.

4.2 Right of Access. Until Completion of Construction, CLV may from time to time, upon at least two (2) business days' prior written notice to Developer, at reasonable hours, enter upon and inspect the Site, or any portion thereof or improvements thereon, to ascertain compliance with the Restrictions, but without obligation to do so or liability therefor. Such representatives of CLV shall be those who are so identified in writing by CLV. In regard to such access, (i) CLV representatives accessing the Site shall comply with all of Developer's reasonable safety rules, policies, and procedures, as provided to CLV in writing prior to such access; (ii) all CLV representatives shall be accompanied or escorted by a designated representative of Developer at all times during their access to the Site, unless CLV representatives are otherwise legally allowed to access the Site; and (iii) CLV's access and any CLV activities in connection with such access shall not unreasonably interfere with Developer's operation of the Project, including Developer's construction, operations, maintenance, and related commercially standard activities which are part of the Project. Notwithstanding anything to the contrary in this Agreement or any other agreement between the Parties, CLV shall indemnify Developer and hold it harmless from any damage caused or liability arising out of this right to access, including any death, injury, or property damage arising out of such right to access.

4.3 Default and General Remedies. In the event of any breach, violation or failure to perform or satisfy any of the Restrictions which has not been cured within the period set forth below, CLV at its sole option and discretion may enforce any one or more of the following remedies or any other rights or remedies to which CLV may be entitled by law or equity, whether or not set forth herein. Unless a cure period is otherwise specifically designated, such cure period shall commence when written notice is given to Developer of a violation hereunder and shall end (i) ten (10) business days thereafter in the case of a monetary default; or (ii) thirty (30) days thereafter in the case of a non-monetary default; *provided* that Developer shall be granted such additional period necessary to cure such default if the cure of such default is not capable of being

cured within such thirty (30) day period. To the maximum extent allowable by law, all remedies provided herein or by law or equity shall be cumulative and not exclusive.

(a) Damages. CLV may bring a suit for damages for any compensable breach of or noncompliance with any of the Restrictions, or declaratory relief to determine the enforceability of any of the Restrictions.

(b) Equity. It is recognized that a particular or ongoing violation by Developer of one or more of the foregoing Restrictions may cause CLV to suffer material injury or damage not compensable in money, and that CLV shall be entitled to bring an action in equity or otherwise for specific performance to enforce compliance with the Restrictions or an injunction to enjoin the continuance of any such breach or violation thereof, whether or not CLV exercises any other remedy set forth herein.

(c) Abatement. If any such breach or violation of these Restrictions or any provision hereof is hereby declared to be a nuisance (as defined under applicable law), CLV shall be entitled to prosecute any remedy allowed by law or equity for the abatement of such nuisance against any person or entity acting or failing to act in violation of these Restrictions, all at the sole cost and expense of Developer or any person having possession under Developer. Any costs or expenses paid or incurred by CLV in prosecuting any such remedy (including all reasonable attorneys' fees and costs of collection), together with interest thereon at the rate of three percent (3%) over the prime rate published from time to time by the "Wall Street Journal", or if the Wall Street Journal is no longer published, then its successor publication or a similar financial publication that publishes the prime rate of interest shall be the personal obligation of Developer or any other person who was an owner of the Site when such charges became due and who committed such breach or violation

(d) Option to Repurchase the Site. In recognition of CLV's interest in the expeditious development of the Site, Developer hereby grants to CLV the irrevocable, exclusive right and option to repurchase the Site (the "*Repurchase Option*") upon the occurrence of any of the events contemplated by Section 4.4(a) below. Developer agrees that the Repurchase Option is of a special and unique kind and character and that, if there is a breach by Developer of the Repurchase Option, CLV may not have any adequate remedy at law. It is expressly agreed, therefore, that in addition to all other rights and remedies available to CLV, the Repurchase Option may be enforced by CLV by an action for specific performance and other equitable relief, provided, however, that if CLV exercises the Repurchase Option, such exercise shall be in lieu of any other remedies permitted herein or at law for the occurrence of such breach by Developer.

4.4 The Repurchase Option shall only be exercised as provided below.

(a) Exercise of Repurchase Option. Exercise of Repurchase Option. CLV may exercise the Repurchase Option by giving written notice to Developer in the event of Developer's violation of the Restrictions itemized in Sections 2.1(a) and/or 2.1(b) above where such failure continues for thirty (30) days after written notice thereof from CLV to Developer, unless the cure of such failure requires more than thirty (30) days, in which event Tenant shall not

be in default if it commences the cure of such failure within said thirty (30) day period and diligently and continuously prosecutes such cure to completion, provided that such cure must be completed within ninety (90) days from the occurrence of a violation. If CLV does not consummate the Repurchase Option within the applicable cure period set forth above, then CLV shall no longer be entitled to exercise the Repurchase Option under this Section 4.4(a) solely with respect to that particular violation. Upon Completion of Construction, CLV shall no longer be entitled to exercise the Repurchase Option (including in connection with a violation occurring prior to Completion of Construction). No failure of CLV to exercise the Repurchase Option after the occurrence of any of the foregoing events shall constitute a waiver of its right upon the occurrence of any other event permitting exercise of the Repurchase Option.

(i) Notwithstanding the foregoing or anything in this Declaration to the contrary, prior to the Completion of Construction, if CLV is entitled to exercise its Repurchase Option as provided for herein, CLV agrees to provide written notice to each Developer's Lender, as defined below (the "*Lender Notice*"). Upon receipt of such Lender Notice, each Developer's Lender shall have the right, but not the obligation, to notify CLV in writing within ninety (90) days of receipt of the Lender Notice (each, an "*Election to Cure Notice*") of Developer's Lender's desire to cure Developer's violations of the Restrictions intemized in Section 2.1(a) or 2.1(b) above. In the event each Developer's Lender declines to cure or is deemed to have declined to cure such violations by failing to send the Election to Cure Notice or notifies CLV of its intent not to cure Developer's violations, CLV shall have sixty (60) days following the earlier of (i) the expiration of the ninety (90) day response period above, or (ii) receipt of Developer's Lender's notice not to cure the default, to notify Developer's Lender of its intent to exercise the Repurchase Option (the "*Exercise Notice*"). In the event the Exercise Notice has not been sent within such sixty (60) day period, the Repurchase Option shall automatically terminate and be of no further force and effect as to the violation giving rise to the Lender Notice. In the event the Exercise Notice has been sent within such sixty (60) day period, CLV shall have ninety (90) days to exercise the Repurchase Option or the Repurchase Option shall automatically terminate and be of no further force and effect as to the violation giving rise to the Lender Notice. In the event Developer's Lender elects to cure the violations pursuant to an Election to Cure Notice, (1) such notice shall state the timeframe required for Developer's Lender to cure such default, provided that such timeframe shall be reasonable in all respects, (2) CLV shall accept the proposed reasonable timeframe by Developer's Lender, and (3) applicable dates in the Schedule of Performance shall be extended as reasonably necessary for Lender to effectuate such cure. Upon receipt of the Election to Cure Notice whereby Developer's Lender elects to cure such default, the Repurchase Option shall be stayed unless and until the occurrence of (y) another event contemplated by Section 4.4(a) above, or (z) the failure of the violations to be cured within the timeframe set forth in the Election to Cure Notice. CLV hereby acknowledges and agrees that Developer's Lender shall not have (A) an obligation to complete a cure of any violation of this Declaration, regardless of whether an Election to Cure Notice has been sent, and (B) liability of any kind for any action or inaction relating to a violation of this Declaration or any cure thereof. The foregoing notice and cure process shall be completed each time CLV is entitled to and elects to exercise the Repurchase Option. CLV hereby agrees that in the event a Developer's Lender and/or its Affiliate elects to cure the violations of this Declaration under this Section 4.4(a)(1), a cure by such Developer's Lender and/or its Affiliate is approved by CLV and no other consent

shall be required hereby. Notwithstanding anything herein to the contrary, no failure of CLV to exercise the Repurchase Option after the occurrence of Developer's violation of the Restrictions itemized in Sections 2.1(a) and/or 2.1(b) shall constitute a waiver of its right to exercise the Repurchase Option upon the occurrence of any other event permitting such exercise.

(ii) In the event CLV exercises the Repurchase Option subject to the terms and conditions set forth in this Declaration, any existing Mortgage shall be undisturbed by such repurchase and continue to encumber the Site until all obligations secured by such Mortgage(s) have been paid and performed in full.

(iii) Following Completion of Construction, (1) the Repurchase Option shall automatically terminate and be of no further force and effect, and (2) at the written request of Developer, CLV shall execute an acknowledgment of the termination of the Repurchase Option which Developer may record in the Official Records, at Developer's sole cost and expense.

(b) Title Condition. Upon such repurchase, but subject to the terms and conditions of Section 4.1 and Section 6.18, the Site shall be subject only to:

(i) Current taxes not yet delinquent;

(ii) Matters affecting title which exist as of the date of recordation of this Declaration, or which are created, made, assumed, consented to or requested by CLV, its successors or assigns;

(iii) Easements for utilities and other commercially standard matters used in connection with the building and other improvements constructed on the Site including, by way of example, rights of access;

(iv) Improvement Costs; and

(v) Such other exceptions expressly approved by CLV in writing. Developer has disclosed to CLV that Developer and its general contractor on the Project may enter into an agreement which prevents the conversion of any for-rent residential units at the Project to for-sale units for a specified period of time, which agreement may be recorded against the Site (the "*Conversion Prohibition Agreement*"). If the City rightfully exercises its Repurchase Option as to any portion of the Project, Developer shall have the Conversion Prohibition Agreement terminated prior to the closing of escrow described in Section 4.4(e) below.

(c) Within thirty (30) days after CLV's exercise of the Repurchase Option, Developer shall submit to CLV (A) a list of improvements existing (the "*Improvements*") on the Site; and (B) a breakdown of the actual hard and soft costs incurred by Developer or any Developer Affiliate to construct or otherwise further the development of the Improvements (the

“Improvement Costs”). CLV and Developer shall consult in good faith with one another for the purpose of arriving at an agreement concerning such Improvement Costs. Developer shall (I) to the extent in Developer's possession or control, provide CLV with copies of all documents relating to the Site prepared by or at the direction of Developer, including, but not limited to, geotechnical reports, soils tests, environmental reports, engineering studies, architectural plans for the Specific Facilities and any other reports, studies or plans relating to the Site or Specific Facilities to be constructed upon the Site (excluding any proprietary market or economic analysis or studies and any design plans or similar development materials prepared by or for Developer) (collectively, the *“Project Documents”*) and CLV acknowledges that neither Developer nor the producer of any such studies or reports has made to CLV and does not make to CLV any warranty or representation regarding the truth or accuracy of any such studies or reports; and (II) to the extent assignable, assign and transfer all rights that Developer has to the Project Documents. Within ninety (90) days after CLV exercise of the Repurchase Option, Developer at its sole cost and expense shall remove all Non-complying Structures. If Developer does not remove all Non-complying Structures within such ninety (90) day period, CLV may, at CLV option, reasonably determine the cost to remove the Non-complying Structures and deduct the amount from the Purchase Price.

(d) Repurchase Price. CLV's purchase price for the Site upon its exercise of the Repurchase Option shall be equal to the purchase price paid by Developer to CLV as evidenced by the final escrow closing statement for the purchase, plus the above provided Improvement Costs. Absent manifest error Developer's books and records provided in accordance with Section 0 above shall be deemed conclusive in determining the Improvement Costs. The Improvements shall be conveyed to CLV by bill of sale in consideration of payment of the Improvement Costs as part of the repurchase price.

(e) Repurchase Escrow Terms. Within five (5) days after CLV's exercise of the Repurchase Option as provided above or as soon thereafter as possible, an escrow shall be created at First American Title Insurance Company or another escrow company selected by CLV and reasonably acceptable to Developer to consummate the repurchase as specified herein, which escrow shall provide for a closing of ninety (90) days after the opening of the escrow. Said escrow shall be subject only to approval by CLV of a then current preliminary title report. Any exceptions other than those set forth in Section 4.4(b) above shall be removed or insured over by Developer at its sole expense at or prior to closing of escrow or discharged by payment of the proceeds of the Repurchase Price at the closing of the Repurchase Option. Developer agrees that any monetary or mechanics liens on the Site shall be paid by Developer at the close of escrow. Developer and CLV shall each pay one-half of the escrow fees; Developer shall pay for documentary tax stamps, for recording the deed, and for the premium of a standard form owner's coverage policy of title insurance in the amount of the purchase price showing title to the Site vested in CLV or its assigns free and clear of all liens, encumbrances or other title exceptions other than those set forth in this Declaration or Section 4.4(b) above. Any other costs or expenses shall be allocated between the Parties in the manner customary in Clark County, Nevada.

(f) Binding Effect. Without limitation of the provisions of Section 6.1 below, the Repurchase Option shall be binding upon and shall inure to the benefit of the respective successors in interest to the Parties hereto.

5. RESERVED

6. MISCELLANEOUS PROVISIONS

6.1 Assignment by CLV. Any and/or all of the rights, powers, duties and reservations of CLV herein contained may not be assigned without the written consent of Developer. CLV agrees to provide Developer with prior notice of any such assignment.

6.2 Intentionally Omitted.

6.4 Attorneys' Fees. In the event either Party hereto is required to employ an attorney because of the other Party's default, the defaulting Party shall pay the non-defaulting Party's reasonable attorney's fees incurred in the enforcement of this Declaration.

6.8 Subsequent CLV Approvals. Any approvals of CLV required or permitted by the terms of this Declaration are authorized to be given by the President of CLV or such other person that CLV designates in writing to Developer. Notwithstanding the foregoing, Developer acknowledges that some approvals will require review and approval by the City Council. In such cases, the Parties shall comply with the required processes of submitting matter for review and approval by City Council. In the event that CLV is no longer in existence, the Parties agree that the City will be authorized to make and/or take any actions permitted by or required by CLV hereunder.

6.9 Entire Agreement and Waivers. This Declaration is executed in three (3) duplicate originals, each of which is deemed to be an original. This Declaration, the DDA and the respective exhibits thereto constitute the entire understanding and agreement between the Parties and is intended by the Parties to be the final expression of their agreement with respect to the subject matter hereof, and the complete and exclusive statement of the terms and conditions mentioned herein or incidental hereto, and supersedes all negotiations or previous agreements between the Parties with respect to all or any part of the subject matter hereof. In the event of a conflict between the terms of this Declaration and the DDA, the terms of the DDA shall control. This Declaration includes Exhibit "C-1" through Exhibit "C-4", inclusively, attached hereto and incorporated herein by reference. All waivers of the provisions of this Declaration must be in writing and signed by the appropriate authorities of CLV and Developer and no waiver of one

provision shall be construed as a waiver of that provision in the future or as a waiver of any other provision.

6.10 Termination or Amendment. The Restrictions may be validly terminated, amended, modified or extended, in whole or in part, only by recordation with the Recorder's Office of a proper instrument duly executed and acknowledged by CLV and Developer to that effect. This Declaration shall automatically terminate upon the expiration of the period of time specified in Section 2.2.

6.11 Severability. Whenever possible, each provision of this Declaration shall be interpreted in such a manner as to be valid under applicable law, but if any provision shall be invalidated, it shall be deemed to be severed from this Declaration and the remaining provisions shall remain in full force and effect.

6.12 Governing Law. The interpretation and enforcement of this Declaration shall be governed in all respects by the laws of the State of Nevada.

6.13 Captions. The captions contained in this Declaration are for the convenience of the Parties and shall not be construed so as to alter the meaning of the provisions of the Declaration.

6.14 Counterparts. Each counterpart of this Declaration shall be deemed to be an original and all of which together shall be deemed to be one and the same Declaration. Delivery of this Declaration may be accomplished by facsimile transmission of this Declaration. In such event, the Parties hereto shall promptly thereafter deliver to each other executed counterpart originals of this Declaration.

6.15 No Third Party Beneficiaries. Except for the rights of Developer's Lenders pursuant to Section 4.4(a)(1), nothing in this Declaration shall confer upon any Person, other than the Parties hereto and their respective successors and permitted assigns, any rights or remedies under or by reason of this Declaration.

6.16 Days. All references to "*days*" in this Declaration are to consecutive calendar days unless business days are specified. All references to "*business days*" shall mean any day that is not a Friday, Saturday, Sunday or day on which commercial banks are not authorized to be open, or required to be closed, in Las Vegas, Nevada. Notwithstanding the foregoing, if the last day of any time period stated herein shall not fall on a business day, then the duration of such time period shall be extended so that it shall end on the next succeeding day which is a business day

6.17 Construction. The Parties acknowledge that each Party and its counsel have reviewed and approved this Declaration and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Declaration or any amendments or exhibits hereto

6.18 Extensions of Time. The City Manager of CLV shall have the authority to grant time extensions under this Agreement not to exceed a total of sixty (60) days, provided, however, it shall be at the President's sole and absolute discretion as to whether to grant any time extension or to submit any requests for time extensions to the City Council for approval. The foregoing shall not be construed to limit any extensions with respect to the Developer's performance of its obligations arising due to an Unavoidable Delay.

6.19 Lender Protections.

(a) This Declaration shall be and remain senior in priority to any Mortgage hereafter executed or created with respect to the Site, or any portion thereof; provided, however, that no breach of this Declaration shall affect, impair, defeat, or render invalid the lien, charge or priority of any such Mortgage encumbering the Site. Any Lender or other owner whose title to the Site is derived through foreclosure, trustee's deed or deed in lieu of foreclosure with respect to such Mortgage (each, a "*Mortgagee*") shall take title to the Site subject to, and shall be bound by, all of the terms, covenants, and provisions set forth in this Declaration. Notwithstanding the foregoing, (i) any Mortgagee shall be permitted to assign, sell or transfer (each a "*Mortgagee Assignment*") its interest, either in full or in part, in a Mortgage without obtaining prior written approval from CLV of such Mortgagee Assignment provided that at least ten (10) days prior to the effective date of such Mortgagee Assignment, the then current Mortgagee provides written notice to CLV of the anticipated Mortgagee Assignment, and shall provide to CLV a fully executed Disclosure of Ownership/Principals form in form and substance attached hereto as Exhibit "E" (the "*Disclosure Form*"); and (ii) any Mortgagee shall be permitted to transfer or cause the transfer of the Site following or in connection with any foreclosure or deed-in-lieu of foreclosure (each, a "*Mortgagee Transfer*") without obtaining prior written approval from CLV of such Mortgage Transfer, provided (v) such Mortgagee Transfer is conducted in connection with the exercise of Mortgagee's remedies under a Mortgage due to an uncured event of default thereunder following all applicable notice and cure periods, (w) the party acquiring the Site through a Mortgagee Transfer accepts the Site subject to the Declaration, (x) the party acquiring the Site through a Mortgagee Transfer will use commercial reasonable efforts to Commence Construction or continue construction of the Project, (y) Mortgagee provides, to the extent possible and permissible under law, written notice of such Mortgagee Transfer to CLV ten (10) days prior to the effective date of such Mortgagee Transfer, but in any event, within five (5) business days of the date the deed is recorded in the Official Records for Clark County, Nevada, and (z) within fifteen (15) days after the completion of the Mortgagee Transfer, the new Mortgagee shall provide to CLV a fully executed Disclosure Form. Mortgagee or other owner acknowledges that such subsequent owner who takes title to the Site prior to Completion of Construction, except as provided for in this Section or in Section 4.4(a) above, shall require, prior to such transfer of title to the Site, written approval pursuant to Section 3.5 above. Following Completion of Construction, no such consent shall be required hereunder. In the event of a Mortgagee Transfer, the applicable dates in the Schedule for Performance shall be extended as reasonably necessary for the Mortgagee Transfer.

(b) Each Mortgagee, upon filing a written notice for such notice with CLV, shall be entitled to a written notice from CLV of any default by Developer in the performance of Developer's obligations under this Declaration, such notice to be given concurrently with such

default notice being given to Developer. Any request for notice delivered shall remain effective without any further action by Mortgagee for so long as the requesting Mortgagee continues to be a Mortgagee. A Mortgagee shall have the absolute right, but no duty or obligation, to cure or correct a breach of this Declaration by Developer within any applicable cure period provided for the cure of such breach hereunder plus ninety (90) days and Developer irrevocably grants such Mortgagee a right of access to the Site or any portion thereof, as applicable, to the extent such Mortgagee may deem necessary to permit such Mortgagee to effect such cure.

(c) In no event shall any Mortgagee be obligated to perform or observe any of the covenants, terms or conditions of this Declaration on the part of Developer to be performed or observed, or be in any way obligated to complete the improvements to be constructed in accordance with this Declaration, nor shall it guarantee the completion of improvements as hereinbefore required of Developer, whether as a result of (a) its having become a Mortgagee, (b) the exercise of any of its rights under the instrument or instruments whereby it became a Mortgagee (including without limitation, foreclosure or the exercise of any rights in lieu of foreclosure), (c) the cure or performance of any of the covenants, terms or conditions on the part of the Developer to be performed or observed under this Declaration, or (d) otherwise; provided, however, that any party acquiring the Site through a Mortgagee Transfer will be deemed to have assumed all of the obligations of Developer hereunder subject to the terms and limitations provided in this Section 6.18.

(d) CLV agrees that it shall, at any time and from time to time, but no more often than once per calendar quarter, upon not less than thirty (30) days' prior notice from Developer or a Mortgagee, execute, acknowledge, and deliver to the requesting party a statement in writing certifying (a) that this Declaration is in unmodified and in full force and effect (of if there have been any modifications, that this Declaration is in full force and effect as modified and stating the modifications), (b) whether to CLV's actual knowledge, it or Developer is in default in keeping, observing, or performing any terms, covenant, agreement, provision, condition or limitation contained in this Declaration and, if in default, specifying each such default, and (c) any other matters reasonably requested by the requesting party, it being intended that any such statement delivered pursuant to this subsection may be relied upon by the requesting party and any assignee thereof.
