MANY OBVIOUS REASONS TO NOT WANT THIS
IN OUR NEIGHBORHOOD. WE HAVE ELEMENTARY
SCHOOL CHILDREN WALKING TO SCHOOL. THERE ARE
HIGH SCHOOL STUDENTS WALKING HOME - HOW
LONG UNTIL THEY HANG OUT WAITING FOR
SOMEONE TO SELL TO THEM? WE'RE ALREADY
EXPERIENCING A HOMELESS PROBLEM.
I'M SURE NONE OF OUR CONCERNS WILL MAKE
A DIFFERENCE AS THERE'S MONEY TO BE
MADE BY YOU ALL. ALL WE CAN HOPE FOR IS
THEY OPEN A DISPENSARY NEXT TO YOUR NEIGHBORHOOD.

Pueblo Park will be across the street from the dispensary. Buena Vista HOA has had homeless and drug vagrant issues in our neighborhood. A dispensary across the street from a Summerlin planned community with schools, churches, HOA's and a park is not a good location. Drainage tunnels at Lake Mead and Buffalo have had issues with drugs, homeless and squatters. No dispensary!

Re: Opposition to Proposed Cannabis Dispensary
25-0008-SUP1-Special Use Permit
7676 West Lake Mead Boulevard
Suite 101
Las Vegas, NV 89128
Assessor's Parcel Number 138-21-622-006
(the "Property")

Dear Members of the Las Vegas Planning Commission,

I am writing on behalf of my client, the Summergate Corporate Center, LLC, a subsidiary of Kemper Corporation, to formally oppose the proposed special use permit for a cannabis dispensary at 7676 West Lake Mead Boulevard, Suite 101, Las Vegas, NV, located within both the South Shores Community Association, a master planned residential community, but also the Summergate Corporate Center, a commercial sub-division, both regulated by Covenants, Conditions and Restrictions. This proposal is not only inconsistent with the character and intent of a residential master-planned community but also violates applicable regulations and covenants of the commercial development, posing a detriment to the value and character of the entire surrounding neighborhood and area.

The property in question is situated within the South Shores Community Association, a master-planned residential community governed by Covenants, Conditions, and Restrictions (CC&Rs). Additionally, as part of the Summergate Corporate Center, it is subject to the CC&Rs and oversight of that association's Owner's Committee. To date, no approval has been sought from the Declarant or the Owner's Committee of the Summergate Corporate Center for this proposed use. This lack of consultation represents a significant procedural oversight and a violation of the governance structure that ensures the integrity of this mixed-use development.

Furthermore, the proposed cannabis dispensary is inappropriate for this location at the gateway to the Summerlin Master Planned Community, a well-regarded residential and commercial area known for its high standards and family-friendly environment. The Summergate Corporate Center is a mixed-use, office/retail development designed to house high-end medical offices, professional services, and national retail tenants. A cannabis dispensary is wholly incompatible with the established character and

purpose of this project, undermining its appeal to both current and prospective tenants and residents.

Critically, the proposed use violates the Minimum Special Use Permit Requirements for cannabis dispensaries in Las Vegas. The property is located directly across the street from a Summerlin City Park, with a separation of less than 120 feet. This proximity to a public park—a space intended for recreation and community enjoyment—contravenes zoning regulations designed to protect such areas from incompatible uses. The introduction of a dispensary in such close proximity poses potential safety and quality-of-life concerns for park visitors, including families and children who frequent the area.

In conclusion, I urge the Planning Commission to deny the special use permit for the proposed cannabis dispensary at 7676 West Lake Mead Boulevard, Suite 101. This proposal disregards the governing CC&Rs of both the South Shores Community Association and the Summergate Corporate Center, fails to align with the high standards of the surrounding Summerlin community, and directly violates spatial requirements intended to safeguard public spaces. Approving this use would set a troubling precedent for the integrity of master-planned developments and the well-being of our community.

Thank you for your consideration of this matter. I would be willing to speak further on this issue at the upcoming Planning Commission meeting or to provide additional documentation as needed. Please feel free to contact me at 702.364.0909 or at my email address kdonahoe@commercialspecialists.com with any questions.

Comments:	<p>To Whom It May Concern:</p> <p>It is with great regret that my husband and I will not be able to attend the planning meeting on April 8, 2025 regarding the proposed project for a Cannabis Dispensary at 7676 W Lake Mead and Mariner Drive-(Not Buffalo as stated in the proposal). The first notification, of such project, that we received was by mail on Tuesday, April 1, 2025. We are having difficulty understanding why we were not notified sooner to allow us the opportunity to OPPOSE the proposed project. My first concern and question is are we too late to oppose the project since no prior notification was sent? It's evident the owners have started</p> <p>Item 29 P</p>

the application process for a permit by the City of Las Vegas Planning Department and further seeking approval from the City Council to open a Cannabis Dispensary, leaving many in our community alarmed. The proximity of the cannabis dispensary will be at the entrance of Summerlin where many residents in our communities are established and have been for many years. Our home will be extremely close to the proposed project, thus raising many concerns about the Children and Teens who are walking to their designated schools or waiting for buses to Cimarron High School, elementary schools, including a private and a parochial school nearby. The main street in which most of students gather is on Mariner Dr. which likely will be the most convenient entrance to the addressed proposed project. It's often you'll see residents along Mariner Dr. and Lake Mead waiting for a bus or young families and seniors simply walking for exercise. That leads me to my next question. Other than looking on a map, has anyone on the panel driven by the proposed project location to observe the area on an average day? Have you noticed the increase in homeless loitering at the McDonalds adjacent to the building to where you are considering opening the dispensary. The numerous traffic accidents that occur on the corner of Lake Mead and Mariner Dr.? How can the idea of a cannabis dispensary, so close to our homes, be of any benefit or value, other than to the dispensary business owners who do not live within 1000ft of their own business, although will profit at our expense. While one might argue that cannabis dispensaries are regulated you cannot control the known outcomes of someone who is using cannabis inappropriately. We all know marijuana use impedes brain function, leads to higher risks in mental health problems and behaviors, impaired driving, difficulty in daily life performance, etc... Why bring this dispensary so close in proximity to communities where established residents feel their safety and comfort is being compromised. Help us, not hinder us. I ask that the Planning Department and City Council for your support and reconsider to OPPOSE the proposed project at the named location. Thank you in advance for your time.

Dear Honorable Chair and Planning Commissioners,

Thank you for your time and service in consideration of Case Number 25-0008-SUP1 for a proposed 4,909 square-foot Cannabis Dispensary use proposed at 7676 West Lake Mead Boulevard, Suite #101. Please thank staff for their hard work, analysis, and presentation of this matter.

While staff is obligated to analyze and recommend the project based on the code, the Planning Commission is authorized to use broader discretion over the proposed use. This proposed use is not appropriate at this location. I urge the Commission to consider the proximity of the project to neighborhood family facilities such as:

1. Bettye Wilson Soccer Complex
2. Pueblo Park
3. Richard H Bryan Elementary
4. Cimarron-Memorial High School
5. St. Elizabeth Ann Seton Church
6. single family homes
7. townhomes
8. Lake Mead neighborhood oriented commercial corridor

Also consider the distance that the proposed use is located from the city's tourist destination core.

The code requires a conditional permit for a drive through. This is a dispensary with a drive through. I do not believe this combination was contemplated by the code nor do I believe a drive through is appropriate for a cannabis dispensary.

Although staff has made findings based on the City's code and the general/master plan, additional consideration is imperative for the findings provided. I encourage the Commission to view page 4-97 of the City's Master Plan. This page discusses the substance abuse problems within the city. Quote excerpts from this page of the Master Plan include:

"Because Las Vegas has structured its economy on tourism and entertainment, there are intrinsically higher risks for smoking, alcohol abuse, and drug use abuse."

"Alcohol use, maternal substance use, and most recently, the epidemic of opioid abuse have each had higher rates among Las Vegas residents."

"Unfortunately, funding and availability for mental health services and substance abuse treatment programs is low across Nevada; the state ranks last in the country for a range of mental health metrics, including youth and adult mental health conditions, mental health workforce availability, funding for treatment, and facility availability."

"overall trends and health metrics indicate the need for renewed action, city leadership, and a "Health in all Policies" collaborative approach. This concept is intended to incorporate health considerations into the decision making process, whether through this plan's implementation by the City's departments, or through policy making by the City Council."

The above considerations from the City's Master Plan do not support the findings provided and provide cause to deny the proposed cannabis dispensary.

The effects of cannabis on mental health, and driving are well documented please see the following links if you have doubts, or please conduct your own research:

<https://www.ncbi.nlm.nih.gov/books/NBK425748/>

<https://www.cdc.gov/cannabis/health-effects/driving.html>

I urge the Commission to take renewed action and deny this use to protect the residential neighborhoods of Summerlin, the City's workforce, and its residents. May we all have sound minds, and caring actions that result in better communities.

Sincerely,

Chad Ortlieb

Comments:	The proposed project is located right in a walking path for elementary students, high school students and bus middle school students. The proposed location is also right across the street from a park. I don't believe that drugs should be sold anyplace near schools, rec centers, playground's and/ or any places where minors frequent Research has shown that exposure to drug-related activities can influence children's perceptions about drug use, making them more likely to engage in substance abuse later in life (Source: American Journal of Public Health). Perhaps a different location would be more appropriate.
