Re: Extension of Time request

Application # 24-0280
NOFA # 22-0171-VAR1
Project Address: 8101 O'Bannon Drive

To whom it may concern,

We are requesting an extension of time, due to unforeseen conditions with the project. We are currently in the process of merging both parcels as stated in the above-mentioned NOFA, APN: 168-04-801-007 and 168-04-801-008. We have commissioned the mapping to be submitted so that we may proceed with the project and permit your approval.

Thank you for your consideration and time.

Sincerely,

Mack McKnight
Representative for Redbronze Trust
