Award Summary

Program: Fiscal Year 2023 Building Resilient Infrastructure and Communities

Recipient: NEVADA OFFICE OF THE MILITARY

UEI-EFT: XVTREHCXGM77

Award number: EMF-2023-BR-008

Summary description of award

The purpose of the Building Resilient Infrastructure and Communities (BRIC) grant program is to provide grants to States and Indian Tribal government or territory that, in turn, provide Subawards to local governments for cost-effective mitigation activities. Funds will be used to implement a sustained pre-disaster natural hazard mitigation program to reduce overall risk to the population and structures, while also reducing reliance on funding from actual disaster declarations.

Except as otherwise approved as noted in this award, the information you provided in your subapplication for Fiscal Year 2023 Building Resilient Infrastructure and Communities funding is incorporated into the terms and conditions of this award. This includes any documents submitted as part of the subapplication.

Amount awarded

The amount of the award is detailed in the attached Obligating Document for Award. The following are budgeted estimates for object classes for this award (including Federal share plus your cost share, if applicable):

Object Class Categories	Total
Personnel	\$0.00
Fringe benefits	\$0.00
Travel	\$0.00
Equipment	\$0.00

Table of contents

Article 1	Standard Condition #1
Article 2	Standard Condition #2
Article 3	Standard Condition #3

- | | |
|------------------|--|
| Article 1 | Standard Condition #1
Any change to the approved scope of work will require re-evaluation for compliance with NEPA and other Laws and Executive Orders. |
| Article 2 | Standard Condition #2
This review does not address all federal, state and local requirements. Acceptance of federal funding requires recipient to comply with all federal, state and local laws. Failure to obtain all appropriate federal, state and local environmental permits and clearances may jeopardize federal funding. |
| Article 3 | Standard Condition #3
If ground disturbing activities occur during construction, applicant will monitor ground disturbance and if any potential archeological resources are discovered, will immediately cease construction in that area and notify the State and FEMA. |
