- F. Pursuant to Section 4.24.140 of the Code, the residential construction tax may be waived for a project upon the developer's execution of an agreement with the City requiring the developer to construct park facilities ("Qualified Parks") in lieu of paying the tax.
- G. Pursuant to Section 4.24.100(A) of the Code, a developer may establish an association for the common ownership and maintenance of a developed park site that is designed for, and dedicated exclusively to recreation in such development. Pursuant to Section 4 of the Development Agreement, Master Developer has organized a Master Homeowners Association (the "Master HOA") that will maintain certain parks and common areas.
- H. The Parties wish to enter into this Parks Agreement: (i) to establish the amount and nature of the parks and recreational facilities to be constructed by Master Developer as part of its obligations with respect to the development of Skye Canyon, (ii) to waive the residential construction tax, (iii) to set forth the ownership and maintenance of the Qualified Parks by the City and Master HOA, (iv) to establish the procedure by which the right is reserved or granted to the public for use of the Qualified Parks, (v) to keep portions of the Skye Canyon Center reserved for the private use of the members of the Master HOA and guests of the members of the Master HOA for a fitness facility and pool area, and (vi) for other purposes as set forth below. The Parties intend that this Parks Agreement be a covenant running with the land with respect to any Qualified Parks. The Parties agree to work in good faith to expeditiously submit and process the park plans outlined herein for the benefit of the City and Skye Canyon.

NOW, THEREFORE, in consideration of the above recitals and of other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree to the following plan for the construction, protection and benefit of the Qualified Parks. This Parks Agreement amends and restates the Original Parks Agreement in its entirety and shall run with, and shall be binding upon and pass with the ownership interest in the Qualified Parks and shall inure to the benefit of and apply to and bind the Parties and their respective successors in interest.

1. Designation of Park Acreage. Master Developer agrees to design and construct, at Master Developer's sole cost and expense, all of those parks, trails open spaces and other recreational areas depicted on Exhibit B attached hereto. Each of the park areas is hereinafter referred to by the name designation indicated on Exhibit C. All recreational amenities for Officer Alyn Beck Memorial Park and Officer Igor Soldo Memorial Park shall be dedicated to the City. All other parks and their recreational amenities shall be conveyed to the Master HOA.
2. Required Facilities of Parks. Master Developer agrees that each of the Qualified Parks shall, at a minimum, contain those amenities and features described in Exhibit E hereto (the "Required Facilities"). Master Developer and City agree that all parking and street landscaping are subject to the approval of the City Planning Department. City agrees that Master Developer shall have discretion with respect to any other amenities or features that are to be placed within the parks in addition to the Required Facilities and that City shall not unreasonably withhold or delay its approval of any conceptual plan for a park that contains all of the Required Facilities. Any changes to the Required Facilities may be approved as a Minor Modification as outlined in the Development Agreement Section 3.05.
3. Design of Parks. Prior to construction of each park, Master Developer shall meet with the City staff to discuss park amenity programming and shall submit to the City a conceptual plan for such park showing the Required Facilities and any additional proposed amenities and features of the park for City's review. The conceptual plans may vary from the conceptual layouts included in Exhibit D. However, approval of a conceptual plan that conforms to the layouts in Exhibit D shall not be unreasonably withheld by the City. Following acceptance by the City of the conceptual plan, Master Developer shall proceed to design the park in accordance with the standards set forth in the Skye Canyon Design Guidelines. Where the design of a Required Facility is not contained in the

23-0676

standards of the Skye Canyon Design Guidelines, the Required Facility shall be designed in accordance with the City of Las Vegas Design Standards for Parks, Trails, Buildings and Parking Facilities in effect at the time of issuance of the permit for the particular development activity (Exhibit F). City agrees that its final approval of the drawings and specifications for the park shall be limited to adherence with the approved conceptual plan, the Skye Canyon Design Guidelines, the Exhibit F, this Parks Agreement and the provisions of the Building Codes relating generally to construction of improvements within the City.

4. Construction of Parks. Following approval of the drawings and specifications for each park Master Developer shall promptly proceed with construction thereof and diligently pursue completion of each park in accordance with the schedule set forth in Section 5.
5. Completion Schedule. Master Developer agrees that it will adhere to the following schedule for design and construction of Parks. For purposes herein, the commencement of construction shall be upon issuance of a grading permit.

 - B) Master Developer shall submit to the City for its review a conceptual plan of each individual park located within the Park Areas prior to the issuance of the first (1st) permit for the construction of dwelling units within such individual Park Area that exceeds the Park Construction Trigger shown on Exhibit C. City will notify the Master Developer when seventy-five percent (75%) of the Park Construction Trigger permits have been issued in each individual Park Area.
 - C) Master Developer shall prepare ninety (90) percent construction drawings and specifications for each individual park and submit them to the City for its review within one hundred eighty (180) calendar days following the City's approval of the conceptual plans for such individual park. Master Developer shall subsequently submit one hundred (100) percent construction drawings and specifications within ninety (90) days of completion of the City's review of the ninety (90) percent construction drawings and specifications.
 - D) Master Developer shall commence construction of each individual park located within a Park Area located within Skye Canyon within the timeframe described below and shall complete each such individual park within eighteen (18) months of the start of construction (except as otherwise provided below with respect to Officer Alyn Beck Memorial Park and Skye Canyon Center).  - E) Master Developer shall commence construction of the Officer Alyn Beck Memorial Park in conformance with the approved construction drawings prepared for the Officer Alyn Beck Memorial Park prior to the issuance of the one thousandth (1,000th) building permit for a residential dwelling unit within all of the Skye Canyon and EASTLAND development. Master Developer acknowledges that building permits for residential dwelling units issued within both EASTLAND and Skye Canyon shall be counted for purposes of determining when Master Developer must commence construction. Master Developer agrees that the Qualified Parks will be available for use by the general public on a non-discriminatory basis except as described in Section 5(G) of this Parks Agreement. Master Developer shall ensure that a land use restriction creating nondiscriminatory access and use rights for the public to and over such Qualified Park is recorded against the park parcel in the Official Records of Clark County, and shall provide a verified copy thereof (with the recording information set forth thereon) to the City. In the event of any failure to record such restriction, the Master HOA shall record such restriction and provide such copy to the City upon receiving such Qualified Park from Developer. City will commence maintenance of Officer Alyn Beck Memorial Park and Officer Igor Soldo Memorial Park within thirty (30) days of completion of construction and acceptance of such parks by City. with respect to the Qualified Parks pursuant to NRS 278.4789.

8. Rules and Regulations. The Master HOA shall have the right to establish rules and regulations for use of the HOA Parks that it has accepted. However, all rules and regulations must apply equally to members of the Master HOA and the public. The rules and regulations cannot discriminate against members of the public in favor of members of the Master HOA. The Parties acknowledge and agree that portions of certain HOA Parks may be reserved for the private use of Members of the Master HOA and guests of the Master HOA. Both Officer Alyn Beck Memorial Park and Officer Igor Soldo Memorial Park will use park signage approved by the City of Las Vegas Park Standards.
9. Amendment of the Declaration. Neither Master Developer nor the Master HOA shall (i) amend any provision of the Declaration affecting the Qualified Parks in a manner that violates any term or provision of this Parks Agreement, without obtaining the prior written consent of the City, or (ii) take any action pursuant to any provision of the Declaration or otherwise to change an active recreational area or facility to a use or character that does not permit active recreational use.
10. Damage and Restoration. In the event of damage to or destruction of the HOA Parks, the Master HOA shall, as soon as reasonably possible, restore and reconstruct the damaged or destroyed areas to at least as good a condition as they were in immediately prior to such damage or destruction. Likewise, in the event of damage to or destruction of Officer Alyn Beck Memorial Park and Officer Igor Soldo Memorial Park, per City policy the City shall, as soon as reasonably possible, restore and reconstruct the damaged or destroyed areas to at least as good a condition as they were immediately prior to such damage or destruction. All work shall be performed in a good and workmanlike manner and shall conform to all applicable governmental requirements, the Declaration and this Parks Agreement.
11. Construction of Qualified Parks. Master Developer shall, at Master Developer's expense, obtain all necessary permits and licenses for the construction and installation of the improvements in the Qualified Parks, give all necessary notices and pay all fees and taxes required by law.
12. Park Contribution Payment. Master Developer agrees to contribute two hundred fifty thousand dollars (\$250,000) to the design and construction of the Northwest Regional Park (the "Park Contribution Payment"). Master Developer shall pay the Park Contribution Payment to City within thirty (30) days of the Effective Date of the Fifth Amendment and Restatement to the Development Agreement.
13. Waiver of Residential Construction Tax. In consideration of Master Developer's agreement to construct all of the Qualified Parks identified in this Parks Agreement and to make the Park Contribution Payment, City hereby waives the residential construction tax for all the residences constructed in Skye Canyon up to the maximum number of residential units permitted by the Development Agreement and further waives the requirement for security for the estimated cost of construction.
14. Use of Flood Control Facilities. City will allow Master Developer to construct open space, parks, trails and other recreational amenities within drainage corridors, drainage channels, and flood plains (for purposes of this Section only these terms may otherwise be defined as "Flood Facilities") so long as the Flood Facilities meet the minimum design and construction standards of City and the Clark County Regional Flood Control District. Master Developer shall be responsible for the replacement and/or repair of the open space, parks, trails and other recreation amenities within such Flood Facilities, if and when damaged or destroyed by water until such time as Master Developer shall convey the facilities to the Master HOA. This provision shall survive any termination or expiration of this Parks Agreement.
15. Enforcement and Remedies.

(a) General. If any Party defaults in the performance of any obligation under this Parks

Agreement, and if such default remains uncured thirty (30) days after written notice from the other Party ('Nondefaulting Party'), stating with particularity the nature and extent of such default, then Nondefaulting Party shall have the right to (i) perform such obligation on behalf of such defaulting Party and (ii) be reimbursed by such defaulting Party, within ten (10) days of written demand, for the cost thereof the failure of the Nondefaulting Party to insist, in any one or more cases, upon the strict performance of any provision of this Parks Agreement shall not be construed as a waiver of the future breach of such provision or any other provision of this Parks Agreement.

- (b) Withholding of Residential Permits. If Master Developer fails to cure any default of its obligations described in Section 5, the City Council may, after a hearing, withhold the issuance of residential dwelling unit permits within Skye Canyon. City shall provide Master Developer written notice at least fifteen (15) days prior to such hearing.
- (c) Remedies Cumulative. Each Party to this Parks Agreement may prosecute any proceeding at law or in equity against any person or entity violating or attempting to violate any of the covenants or provisions contained herein to prevent such person or entity from so doing and to recover damages for any such violation. All remedies provided in this Parks Agreement are cumulative. Therefore, notwithstanding the exercise by a Party of any remedy hereunder, such Party shall have recourse to all other remedies as may be available at law or in equity.

16. Miscellaneous.

- (a) Assignment. Master Developer may assign all of its rights and obligations under this Parks Agreement in conjunction with assignment to a successor Master Developer contemplated under Section 11 of the Development Agreement. Posting of a performance bond by a successor Master Developer shall not be required by the City so long as successor Master Developer assumes all Master Developer obligations in the Development Agreement, including the obligations in this Parks Agreement. If Master Developer (or successor Master Developer) desires to assign all or part of its rights and obligations under this Parks Agreement to anyone other than a successor Master Developer (or new successor Master Developer), the Parks Agreement Assignee shall assume the assigned rights and obligations, and the City shall not unreasonably withhold approval of such assignment. However, prior to the City's approval of such assignment to a Parks Agreement Assignee, Parks Agreement Assignee's performance shall be secured by a performance bond in the amount and form, and from a surety, agreed to by the City. The performance bond shall name the City and Master HOA as joint Obligees until such time that all outstanding obligations assumed by the Parks Agreement Assignee are complete and the parks are conveyed to the Master HOA. The Master HOA may not assign any of its rights or obligations under this Parks Agreement without prior written approval from the City, which shall not be unreasonably withheld.
- (b) Notices.
