

**AMENDMENT NO. 2 TO THE FRANCHISE AGREEMENT FOR COLLECTION,  
TRANSPORTATION AND DISPOSAL OF SOLID WASTE BETWEEN THE CITY OF  
LAS VEGAS AND REPUBLIC SILVER STATE DISPOSAL, INC. AND REPUBLIC  
DUMPCO, INC.**

**THIS AMENDMENT NO. 2 TO THE FRANCHISE AGREEMENT FOR COLLECTION,  
TRANSPORTATION AND DISPOSAL OF SOLID WASTE BETWEEN THE CITY OF  
LAS VEGAS AND REPUBLIC SILVER STATE DISPOSAL, INC. AND REPUBLIC  
DUMPCO, INC.** (“Second Amendment”) is made and entered into on this \_\_\_ day of \_\_\_\_\_, 2023 (the “Effective Date”), by and between City of Las Vegas, a municipal corporation of the State of Nevada, (hereinafter referred to as “City”), Republic Silver State, Inc. a Nevada corporation d/b/a Republic Services of Southern Nevada (“Franchisee”) and Republic Dumpco, Inc., a Nevada Corporation (“Dumpco”). The City, Franchisee and Dumpco may be referred to herein singularly as a “Party” or collectively as the “Parties.”

**RECITALS**

**WHEREAS**, the Parties entered into that certain Franchise Agreement for Collection, Transportation And Disposal of Solid Waste Between The City Of Las Vegas And Republic Silver State Disposal, Inc. And Republic Dumpco, Inc. dated April 5, 2017 (the “Franchise Agreement”);

**WHEREAS**, in July 2019, the Franchisee requested certain modifications to the Franchise Agreement to clarify the existing procedure whereby the Franchisee may request from the City a rate increase for unforeseen economic circumstances (“First Amendment”);

**WHEREAS**, the Parties desire to enter into this Second Amendment to change the basis for the annual rate adjustment from the CPI-U to the CPI indicator adopted as an amendment to Las Vegas Municipal Code Section 9.08 on November 15, 2023 by the Las Vegas City Council, which more accurately reflects annual costs within the solid waste collection industry. As adopted, the CPI is as follows: Historic Consumer Price Index (CPI) for water and sewer and trash collection services, U.S. city average, all urban consumers, not seasonally adjusted (Current Series ID: CUUR0000SEHG), as published by the U.S. Department of Labor, Bureau of Labor Statistics, for the most recent calendar year ended on December 31 as compared to the previous calendar year ended on December 31 (hereafter, “CPI”);

**WHEREAS**, Section 33(B) of the Franchise Agreement permits modification of the Franchise Agreement if such amendment is approved by the Las Vegas City Council and the Franchisee;

**WHEREAS**, this Second Amendment encompasses the specific amendments to the Franchise Agreement.

**NOW, THEREFORE, IN CONSIDERATION OF THE RECITALS ABOVE, AND INCORPORATED HEREIN, AND THE MUTIAL OBLIGATIONS OF THE PARTIES EXPRESSED HEREIN, THE PARTIES AGREE TO MODIFY THE FRANCHISE AGREEMENT AS FOLLOWS:**

## AGREEMENT

### A. AMENDMENT

1. The current Section 4(A), (B), and (C) is hereby stricken in its entirety and replaced with 4(A), (B), and (C) below:

(A) As of December 1, 2023, tipping fees shall be calculated at the rate of \$42.42 per ton. On July 1, 2024, and every July 1 thereafter, the tipping fees will increase by the amount of the CPI. Tipping fees are hereinafter defined as the fees charged by Franchisee to City to dispose of each ton of solid waste at the Apex Regional Landfill (“Apex”) operated by Franchisee within Clark County, Nevada (“City Tipping Fees”). Franchisee has the sole right to determine how solid waste is measured and the amount of tipping fees charged to any party other than the City in compliance with this Franchise Agreement. However, Franchisee must comply with the rate for City Tipping Fees charged to the City as set forth in this Franchise Agreement.

(B) City vehicles may dispose of solid waste, including construction and demolition waste collected in the normal and customary course of City business that is not in competition with Franchisee, its affiliates or this Franchise Agreement at Apex. Franchisee shall provide City with an annual credit amount for Tipping Fees and solid waste service fees (the "Annual Credit"). As of December 1, 2023, the Annual Credit is \$1,497,035.78. On July 1, 2024, and every July 1 thereafter, the Annual Credit shall be: (a) adjusted upwards annually based upon the percentage change in the CPI; and (b) pro-rated on a per diem basis, when applicable. The Annual Credit may be utilized to offset charges by the Franchisee for the following services provided to the City: solid waste collection for small containers, industrial accounts, commercial services, recycling collection accounts, street sweeping and disposal services at Apex. The Annual Credit is for the exclusive use of the City and is not transferable to any other party, entity or operator or other government agency. Furthermore, City agrees to utilize Franchisee's services for collection, transportation, and disposal of all solid waste; sewage waste that is transported and disposed by Franchisee; and recyclables generated by City which are transported by Franchisee during the term of this Franchise Agreement. For any amount of the Annual Credit that is not used by City by June 30th of each year Franchisee agrees to pay City the difference between the used Annual Credit and the unused Annual Credit. The amount owed to City, if any, will be paid by Franchisee within sixty (60) days of receiving an invoice from City. In no event shall the total of used Annual Credit and unused Annual Credit exceed the annual amount set forth in this Section 4(B) unless adjusted for CPI. Franchisee shall submit an itemized statement to the City on a quarterly basis which shows the current Tipping Fees, the number of tons tipped, and solid waste collection, transportation and disposal fees which will reflect the services provided to the City, the Annual Credit allotted to the City, and the amount of the Annual Credit that has been used. The Annual Credit shall not extend to transportation and disposal of sewage waste and waste from the Clark County Regional Flood Control District serviced by the City or any other entity that the City is acting as an agent for or entity that the City has contracted with

for City services. The Clark County Regional Flood Control District serviced by the City shall be subject to Franchisee's, and its affiliates, standard tipping and solid waste service fees. The City agrees that it shall not use the Annual Credit to pay any third parties for collection, transportation or disposal of solid waste, sewage waste or recyclables in connection with any program, service or pilot program implemented by the City.

(C) In calendar year 2023, the Franchisee paid the City \$372,910.25, to offset the cost of Code Enforcement Services related to Franchise (“Code Enforcement Allowance”). On July 1, 2024, and every July 1 thereafter, the Code Enforcement Allowance shall be (a) pro-rated on a per diem basis, when applicable; and (b) adjusted upwards annually based upon the percentage change in the applicable CPI. If Franchisee determines that its code enforcement issues are not being adequately addressed, the City agrees to meet with Franchisee and develop a plan to ensure that this Franchise Agreement and Chapter 9.08 of the Code is being enforced to the satisfaction of Franchisee and City. As part of the plan, Franchisee may ask the City to dedicate an average of up to forty (40) hours of time on a weekly basis to resolve any solid waste code enforcement or Franchise Agreement issues.

2. The current Section 5(C) and 5(D) are hereby stricken in their entirety and replaced with a new 5(C) below:

(C) As of December 1, 2023, the City shall pay Franchisee \$24.42 per wet ton for sewage waste disposal services. On July 1, 2024, and every July 1 thereafter, this fee will increase by the amount of the CPI. A Wet Ton means 2,000 pounds of sewage waste. The total estimated annual requirement is approximately 57,000 Wet Tons (average 155 tons per day). Except as set forth in this Franchise Agreement, Franchisee shall collect, transport, and dispose of the City’s sewage waste at this price regardless of whether the actual requirement is higher or lower than the estimate.

3. The current Section 5(NN) is hereby stricken in its entirety and replaced with 5(NN) below:

(NN) If the third party transporting the Excluded Sewage Waste fails to collect and transport any Excluded Sewage Waste, the City may ask Franchisee for an emergency collection, transportation and disposal of any or all of the Excluded Sewage Waste from the WPCF ("Emergency Excluded Sewage Waste"). Franchisee agrees to collect and transport all Emergency Excluded Sewage Waste within six (6) hours of notification from City. Upon the City's notification to Franchisee to begin transporting and disposing of Excluded Sewage Waste, Franchisee will charge the City the existing Non-Excluded Sewage Waste rate at the time of notification plus an additional \$2.97 per wet ton which will increase based upon the CPI on July 1, 2024, and every July 1 thereafter to cover increased labor and depreciation costs incurred by Franchisee. Franchisee will send City an invoice within thirty (30) days of collection, transportation and disposal of the Emergency Excluded Sewage Waste. City agrees to pay Franchisee in full within thirty (30) days of receipt of such invoice.

4. The current Section 6(B)(2) is hereby stricken in its entirety and replaced with 6(B)(2) below:

(B)(2) Franchisee will offer to single-family residences, duplexes, multiple dwellings or mobile home parks with individual curbside service an optional second trash collection service per week. As of December 1, 2023 the rate will be \$15.61 per month for each single family residence and each duplex unit, multiple dwellings unit or mobile home park unit with individual curbside service that elects to sign up for the optional second trash collection service per week and will be adjusted upwards annually based upon the percentage change in the applicable CPI. This rate excludes a second recycling collection service per week and is predicated upon certain participation assumptions by Franchisee. If the number of single-family residences, duplexes, multiple dwellings or mobile home parks with individual curbside service signing up for the second trash collection service per week deviates from the participation assumptions, Franchisee reserves the right to meet and confer with the City Manager and establish a new monthly charge for this optional service.

5. The current Section 9 (F) is hereby stricken in its entirety and replaced with 9(F) below:

(F) In calendar year 2023, the Franchisee paid \$49,721.38 to the City as an administrative fee, to cover costs incurred by the City to administer this Franchise Agreement and to ensure compliance. On July 1, 2024, and every July 1 thereafter, this fee will be adjusted by the amount of the CPI.

6. The current Section 16 (A), (B), and (C) is hereby stricken in its entirety and replaced with 16 (A), (B) and (C) below:

(A) Franchisee shall charge the collection rates and charges contained in Chapter 9.08 of the Code, and such rates and charges shall be adjusted as set forth in this Franchise Agreement and the Code. Attached hereto as Exhibit "A" is a copy of the base rates as of December 1, 2023 for solid waste service fees charged by Franchisee (the "Base Rates"). The Base Rates shall be adjusted on an annual basis as set forth in 16(B), below. Franchisee shall submit the annual rate sheets to the City as authorized by the Code and this Franchise Agreement no later than April 1 of each year. The City will verify the accuracy of Franchisee's proposed new rates and will notify Franchisee of the City's approval of the proposed rates or of any discrepancies between Franchisee's proposed rates and the City's calculations. By May 1 of each year, the City and Franchisee shall take all actions necessary to reconcile any such discrepancies and to agree on Franchisee's new rate schedules, to be effective as of July 1. Once the rates are approved by the city, the rates are not required to be updated in Chapter 9.08 of the Code and the City may post adjusted rates on its website.

(B) The collection rates and charges contained in Chapter 9.08 of the Code shall be adjusted by the CPI on July 1, 2024, and every July 1 thereafter.

(C) In the event that an unforeseen economic circumstance has occurred, Franchisee may request a rate adjustment that is not based on CPI changes. Franchisee shall submit verification of the unforeseen economic circumstances in writing to the City Manager with

documentation supporting the rate increase request. The City may require Franchisee to provide, at Franchisee's expense, a certified audit of the books and records of account of Franchisee if the City determines that such an audit is required to substantiate the request for a rate increase. Any rate adjustment based upon an unforeseen economic circumstance will require approval of the City Council, and if such rate adjustment is approved by the City Council, the rates adjusted upward are not required to be updated in Chapter 9.08 of the Code and the City may post adjusted rates on its website.

**7. EFFECT OF THIS AMENDMENT UPON THE FRANCHISE AGREEMENT**

Except for the explicit amendments of the Franchise Agreement provided in this Second Amendment, above, all other terms, conditions and obligations of the Parties to the Franchise Agreement remain the same.

**EXECUTED, this Second Amendment, to be effective on the date specified above.**
