**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

This is a petition to vacate an existing right-of-way dedication generally located on the southeast corner of East Tropical Parkway and Interstate 15.

**ANALYSIS**

The Department of Public Works has indicated, "The right-of-way proposed for vacation is within the City of North Las Vegas jurisdiction, however it was granted to the City of Las Vegas in 1946, which is the same year a petition of incorporation was filed for the City of North Las Vegas to be created." We present the following information concerning this request to vacate certain public street ROW:

- A. Does this vacation request result in uniform or non-uniform right-of-way widths? Uniform
- B. From a traffic handling viewpoint will this vacation request result in a reduced traffic handling capability? No
- C. Does it appear that the vacation request involves only excess right-of-way? No
- D. Does this vacation request coincide with development plans of the adjacent parcels? No
- E. Does this vacation request eliminate public street access to any abutting parcel? No
- F. Does this vacation request result in a conflict with any existing City requirements? No
- G. Does the Department of Public Works have an objection to this vacation request? No

The right-of-way dedication is no longer needed. Since only City interests are involved; any utility company's interests will need to be addressed with each respective utility company and will not be affected by the City relinquishing its interest.

**FINDINGS (24-0582-VAC1)**

Staff has no objection to the vacation of the existing right-of-way dedication; therefore, staff recommends approval with conditions.
