Hello.

We would like to bring attention to a reoccurring problem with the Funkyard parking lot (APN: 162-03-110-065) application number (24-0253). In the past year or so, there have been numerous incidents of vehicles damaging our fence at 1224 S. Casino Center Blvd. We have repaired one area, where a truck snagged our fence on its bumper and backed up. Because the spaces are shorter, some larger vehicles park there repeatedly and cause damage.

We would like to request that either a solid wall be constructed or for bollards to be placed in front of each parking spot on the south side of the lot. This would prevent vehicles from further damaging our fence. I attempted to contact the owner, but never had a response.

Thank you

Attached are pictures.
