----- Forwarded message -----

Dear Planning Committee Members,

I write to you as being personally impacted by a potential change in zoning regarding subject 24-0167.

We all know Las Vegas continues to grow by leaps and bounds and with that comes a need to weigh a balance between economics and quality of life.

We moved up the Montalado Development that borders the proposed commercial development about 2 years ago.

We did so trying to find an area that was relatively quiet and free from the encumbrances of commercial activity.

Albeit there is a bus depot relatively close by and a storage unit (convenient), and even additional town homes being built, however, none of that compares to what the proposed project would bring to that intersection of Ann Rd & Shaumber Rd in the way of traffic and delays (no lights at that intersection yet either) if you approve the zoning and variances being considered.

Not more than 3.5 miles away (approximately 4 minutes), off of the 215 and Cheyenne, is a number of retail/commercial establishments that serve all the needs that this proposed project is laying out and some.

Every exit doesn't need commercial activations.

I am going to try and make the meeting, but in case something came up I wanted to make sure I voiced our opposition and our concerns. I have attached the flyer announcing the meeting (which if I hadn't been paying attention almost threw out).

I truly hope the planning committee members take it account the factors I have called out and does not allow this project to continue in the process.

Respectfully Submitted,
Mitch & Sherri Allen

Comments: I do not approve of a shopping center being built directly across from our new homes. There is not much land there and only a one lane street in either direction. There will be lots of traffic and congestion. The kids in our community walk there for school and that will put them at a greater risk of an accident. The news is constantly talking about kids being hit by cars going to school this will increase danger for them at this area. There are talks of a casino /bar being built here as well. That will increase risk of drunk drivers, theft and vandalism in our area and our homes. We moved here for safety and peace and a community of family. There are no positives for the current residents and home owners with this plan being

built here. There is already an apartment building being built on the opposite corner. I pray that we don't have any negative impact from that. There will definitely be traffic from that. I strongly oppose.

Comments: I OPPOSE all related applications to this project. The application for re-zoning this small parcel of land for commercial development and proposed building of a drive-thru, tavern, car wash, gas station, is absolutely absurd and irresponsible should the city approve of such ridiculously reckless changes to building requirements and re-zoning a C-V land to C-1 (commercial).

Comments:

As a neighborhood with a lot of young families, the addition of a gambling and liquor establishment is extremely problematic. This development can also negatively impact property values by obstructing Strip views and other natural beauty present in the area.

Additionally, there are a lot of animals that use the area as a home, including the following: coyotes, lizards, rabbits, snakes, great horned owls, golden eagles, foxes and bobcats. All have been seen in the proposed area to be developed and their habitat would be further interrupted.

THIS SHOULD NOT BE APPROVED UNDER ANY CIRCUMSTANCE. The area should be reserved for a public park or playground or some other kind of natural development like a hiking trail/visitors center.

Dear Planning commission.,

My name is Jeno Szabo and reside at 5370 Pico Viejo st. 89166, my wife and I have lived in the Las Vegas valley since 1997.

Comments: I am contacting you concerning project 24-0167 the rezoning from c-v civic to c-1 commercial which is set for review on May 14th planning commission agenda.

I strongly oppose the rezoning from civic to commercial.

Item 52
P

The proposed project includes a gaming bar, car wash, drive thru and retail shop, on an extremely small area of land of Ann rd. and Shaumber rd.

I believe said development would increase crime, traffic congestion light pollution and go against the city's 2050 general plan of neighborhood center mixed use and the destruction of the natural desert habitat.

Prior to moving into our residence in November of 2021, the city had already zoned a 5- acre parcel on Shambur rd. and Tropical Pkwy for c-1 limited commercial for future area development.

The residents of this area that moved here, selected to be away from these types of developments. Currently we have shopping, gaming, and gas stations within a 5 - 7-minute commute.

Again, I hope for your support in opposing this rezoning / development and appreciate your time in this matter.

Best regards,

Jeno Szabo

Comments: I oppose this project because of crime, light pollution, natural desert habitat and more traffic congestion. Residents in our communities moved here to be away from these commercial developments and enjoy nature. This project doesn't belong here due to it's size being in such a compact area which could possibly cause more traffic collisions with the possibility of pedestrian fatalities due to the high volume of cement trucks and school bus facilities on Ann road and Hammer Lane.

Thank you for the boards time and hopefully your opposition to this project.

Best regards, Kimberly Szabo

Comments:

I oppose having development in the TINY area between my backyard and the street. We already have townhouses being built right across the street. The noise is ridiculous, our privacy is invaded, and building in this area would essentially be touching the fence to our yard. Families live in these two communities. We don't want our kids playing outside with strangers being able to peak in our yards at any given second. Fully oppose!

Comments:

We purchased this home with an understanding that the land behind us is civic land and that was supposed to be it's intended use. Having a gaming and alcohol establishment in my backyard is not safe for my family or my children. If a gas station is built it increases crime. If a car wash is built is loud and disturbing. Both my wife and myself work from home. This is quite the opposite as to why we purchased a home where we did. The reason for residents of being on this side of city is to get away from the commotion of commercial businesses and to be able to enjoy a peace and quiet lifestyle.

Comments: There are already traffic problems at the intersection of Shaumber/Ann with the tractor trailers, busses and the people that run the stop sign. These roads are not designed to handle this much traffic. Adding an alcohol establishment could bring more crime and DUI accidents to our new neighborhood. I do not support these establishments being built so close to residential properties which is why most people moved to this neighborhood to get away from those establishments.

Comments: The overwhelming preference of the residents in the Montalado community is to keep the area residential. Businesses can be developed further down Ann Rd closer to Centennial where they would be more central to a wider number of Northwest residents.

Comments: Our neighborhood wants to keep the area strictly residential! Already a lot of movement due to the quarry and the bus depot, we don't need to add businesses to the mix at an intersection that is already overwhelmed (and needs a stoplight).

Comments:

We oppose this project because the buses from the school bus depot and gravel trucks from the gravel pit sit in a long queue to get through Ann Rd and Schaumber Rd to access the highway. A traffic signal wouldn't change this situation much. A small group of townhomes is already being built at the SE corner of this intersection as well. Adding a gas station or convenience store near this intersection will increase congestion particularly for the school bus drivers who already looked stressed out daily. In addition, residents in the area have easy access to gas stations at the west end of Lone Mountain Rd and also at Cliff Shadows Parkway. We don't need more gas stations.

Comments:

This project will destroy the integrity of the community and land. There is unstable traffic on Shaumber. There also is only a stop sign to control traffic. Many people speed and there are many construction trucks which causes many accidents. There is a school bus yard and in which school buses drop off/pick up students. Due to the narrow one lane road, having a bar will cause drunk drivers to possibly drive the wrong way and cause fatal accidents. This project is opposed by all nearby communities especially from KB Montalado and KB Montalado North. This project will cause more bad than good.

Comments: We recently moved into this brand new neighborhood and we highly oppose the proposal to build on the land in front of our community. Anything with a bar or gaming doesn't belong near a neighborhood nor minutes from children or schools. We moved to this neighborhood to be away from the hustle and bustle and keep our children safe. Please keep our new community safe and away from businesses that don't belong near homes. We have access to them at only a 5 min. Drive.
