Morning, Isaac -

SDRC reviewed the request and although the driveway changes were approved a few months ago, it feels that HHC shouldn't need to process the easements for approval as they do not affect HHC common elements and are completely interior to the NOP parcel.

Please let me know if you have any concerns about this. Thank you.

I saw that in the package and it will not suffice. It has to be an overall site plan showing highlighted easements.

Sharon,

The attached legal has a diagram attached. Will this work, or are you looking for something else?

Thanks,
Isaac

Good Afternoon Sharon,

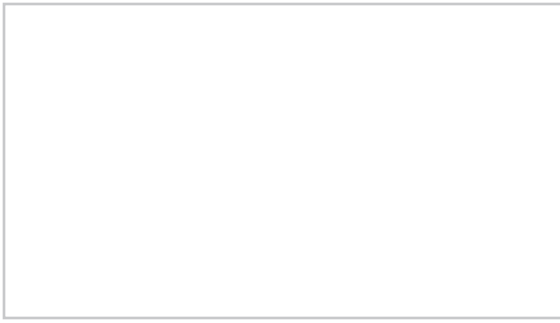

See attached documents to review for the Vacation of Public Drainage Easements. We will need an approval letter by 10/17 to hit the CLV submittal deadline.

Please let me know if you will need anything else from me.

Thank you.
