

Letter to the City of Las Vegas

To whom this letter may concern,

My name is Adriana Segura and I own the property located at 1908 E Mesquite Ave Las Vegas, NV 89101. For the past months, I have been fixing and following city guidelines and trying to get the appropriate permits needed for an existing add-on room built in the back of my property.

This room is attached to the house and its main purpose is to work as a storage room and family space. I would appreciate it if our variance would be approved. The room serves as an office/study room for the family. The house is not very big and with the extra room, my family can have an environment where they can focus and play safely. I live in a neighborhood where the street is consistently busy and this space critical for my family.

Thank you,

Adriana Segura
