**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

This is a Special Use Permit request for a proposed 2,100 square-foot Alcohol, On-Premise Full use within an existing restaurant at 721 North Rancho Drive.

**ISSUES**

- The Alcohol, On-Premise Full use is permitted in the C-1 (Limited Commercial) zoning district with the approval of a Special Use Permit. Staff supports the request.
- Waivers of Minimum Special Use Permit Requirement #1 are requested to allow a zero-foot distance separation from an individual care center licensed for more than 12 children and a 60-foot distance separation from a church/house of worship where 400 feet is required. Staff supports the requests.

**ANALYSIS**

The subject site is zoned C-1 (Limited Commercial) and is subject to Title 19 development standards. The subject tenant space is located within an existing shopping center that offers general retail, restaurant, and childcare services. Properties to the south are developed with single-family residential dwellings. Properties to the north, east and west are developed with commercial uses such as offices, general retail, and restaurants. The subject tenant space currently operates as a restaurant.

The applicant is requesting a Special Use Permit to allow an Alcohol, On-Premise Full use within the existing restaurant. In conjunction with the Special Use Permit, a Waiver is requested to allow a zero-foot distance separation from an individual care center licensed for more than 12 children located within the subject shopping center where 400 feet is required. A Waiver is also requested to allow a 60-foot distance separation from a church/house of worship located northwest of the subject site. The church/house of worship is located within a commercial subdivision across Belrose Street.

Per Title 19.12, the Alcohol, On-Premise Full use is defined as, “An establishment licensed to sell alcoholic beverages, not limited to the sale of beer, wine and coolers, for consumption on the premises where the same are sold.” The proposed use meets the definition as the applicant is proposing to sell alcoholic beverages for on premise consumption.

**Staff Report Page Two**  
**April 8, 2025 - Planning Commission Meeting**

**The Minimum Special Use Permit Requirements for this use include:**

1. Pursuant to its general authority to regulate the sale of alcoholic beverages, the City Council declares that the public health, safety and general welfare of the City are best promoted and protected by generally requiring a minimum distance separation between an Alcohol, On-Premise Full establishment and certain other uses that should be protected from the impacts associated with that establishment. Therefore, except as otherwise provided in these Requirements, no Alcohol, On-Premise Full establishment may be located within 400 feet of any of the following uses:
  - a. Church/house of worship;
  - b. School;
  - c. Individual care center licensed for more than 12 children; or
  - d. City park.

*The proposed use does not meet this requirement, as an individual care center licensed for more than 12 children and a church/house of worship are located within 400 feet of the subject site. Therefore, Waivers are requested to allow a zero-foot distance separation from an individual care center licensed for more than 12 children and a 60-foot distance separation from a church/house of worship. Staff supports the requests as there is no direct access to the church/house of worship from the subject site, and the proposed use typically occurs within commercial subdivisions.*

2. The distance separation requirement set forth in Requirement 1 does not apply to the following:
  - a. An establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992; or
  - b. Any Alcohol, On-Premise Full use located on property within the Pedestrian Mall, as defined in LVMC Chapter 11.68; the Downtown Entertainment Overlay District, as described in LVMC 19.10.120; or the 18b Arts District, as described in Appendix F to this Title. The Special Use Permit approval may include conditions designed to mitigate any impacts related to distance separation.

**Staff Report Page Three**  
**April 8, 2025 - Planning Commission Meeting**

*This requirement is not applicable, as the subject site does not have a non-restricted gaming license in connection with a hotel having 200 or more guest rooms, a connection with a resort hotel, or located on property within the Pedestrian Mall, Downtown Entertainment Overlay District, or the 18b Arts District. Therefore, Requirement 1 still applies.*

The proposed use would operate within an existing restaurant which is consistent with the uses allowed in the C-1 (Limited Commercial) zoning district and can be conducted in a compatible and harmonious manner with the surrounding land uses. Therefore, staff recommends approval of the Special Use Permit request, subject to conditions.

**FINDINGS (25-0060-SUP1)**

In order to approve a Special Use Permit application, per Title 19.16.110(L) the Planning Commission and City Council must affirm the following:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed Alcohol, On-Premise Full use would occur within an existing restaurant within a shopping center. The proposed use can be conducted in a manner that is harmonious and compatible with existing and future surrounding land uses.

- 2. The subject site is physically suitable for the type and intensity of land use proposed.**

The subject site is a commercial building with multiple tenants and adequate parking is provided on-site. Therefore, the site is physically suitable for the type and intensity of land use proposed.

- 3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

The subject site can be accessed by Rancho Drive, a 150-foot wide Freeway/Expressway as designated by the Master Plan of Streets and Highways, which is adequate in size to meet the requirements of the proposed use. Site access is also provided from Belrose Street, a 50-foot wide local street.

**April 8, 2025 - Planning Commission Meeting**

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

The site is subject to licensing and inspection, thus protecting the public health, safety and general welfare.

5. **The use meets all of the applicable conditions per Title 19.12.**

The proposed use does not meet the minimum 400-foot distance separation requirement from an individual care center licensed for more than 12 children and a church/house of worship; therefore, a Waiver is requested. With the approval of the requested Waiver, the use will meet the applicable conditions per Title 19.12.
