

Dear Las Vegas City,

I am writing to formally introduce Jessica Beltran with Ink Marks The Spot LLC, a women-owned tattoo studio, dedicated to the elevation of tattoos as an art form, the empowerment of individuals through artistic expression, and the enhancement of natural beauty. As a proud member of our local community, we are committed to not only providing exceptional tattoo services but also to serving as a hub for creativity, education, and positive transformation.

As a women-owned business, diversity, inclusion, and empowerment are integral to our identity and values. We are committed to fostering a culture of equality, respect, and opportunity for all, regardless of gender, race, or background.

At Ink Marks The Spot LLC, we firmly believe in the power of art to uplift, inspire, and transform lives. Our mission is multifaceted, aiming to Elevate Tattoos, Teach Art, Transform Smiles, Restore Confidence, and Enhance Beauty, Naturally. These principles are at the core of everything we do and guide our interactions with clients, fellow artists, and the broader community.

Elevating Tattoos: We approach tattooing as a fine art, with a focus on creativity, skill, and innovation. Each tattoo we create is a unique masterpiece, tailored to the individual's preferences, personality, and vision. By pushing the boundaries of traditional tattooing, we strive to elevate the craft to new heights of excellence.

Teaching Art: Education is fundamental to our ethos. We are passionate about sharing our knowledge and expertise with aspiring artists and enthusiasts alike. Through our tattoo mentorship programs, we provide opportunities for learning, growth, and skill development within the tattooing and art communities.

Transforming Smiles: Tattoos have the power to evoke emotions, tell stories, and instill confidence. We take pride in our ability to transform our clients' visions into tangible works of art that bring joy, satisfaction, and a sense of empowerment. Whether it's a meaningful memorial tattoo or a bold statement piece, we are dedicated to creating experiences that leave lasting smiles.

Restoring Confidence: We understand the profound impact that tattoos can have on self-esteem and self-image. For many individuals, getting a tattoo is a deeply personal and transformative experience. We strive to create a supportive and inclusive environment where clients feel heard, respected, and empowered to express themselves authentically.

We are excited about the opportunity to contribute to the cultural and artistic landscape of our city and to serve as a beacon of creativity, inspiration, and positivity within the community. We welcome the opportunity to collaborate with the city and local organizations to promote art, education, and social impact initiatives that benefit our residents and enrich our collective experience.

Thank you for considering our studio and for your support of the arts in our community. We look forward to the possibility of working together and to making a positive difference in the lives of those we serve.

Thank You

Jessica Beltran
