Re: 7175 W. Lake Mead Blvd., Suite 130 (APN: 138-22-715-001)

To Whom It May Concern:

We are respectfully requesting a special use permit for "full alcohol on premise" in conjunction with a restaurant and a distance waiver related to a school that is approximately 330 ft. from our establishment. This use is harmonious and compatible with the existing uses in the area.

Thank you in advance for your time and attention to this matter.

Respectfully,

*Nathaniel Taylor*
