**DISCUSSION**

**SUBJECT:**

RECOMMENDING COMMITTEE: BILLS ELIGIBLE FOR ADOPTION AT A LATER MEETING

Bill No. 2024-15 - Amends LVMC 6.02.060 and 6.02.115 to update provisions regarding multi-jurisdictional business licenses to provide flexibility regarding the determination of eligible license categories. Sponsored by: Councilwoman Olivia Díaz

**FISCAL IMPACT:**

None

**PURPOSE/BACKGROUND:**

The Municipal Code currently includes a list of business license categories that may qualify for the issuance of a multi-jurisdictional license within Southern Nevada. At present, the contractor category is the only one that has been implemented. Other categories will be added over time, but it has been recommended that the City add categories administratively rather than listing them specifically within the Code. This flexible approach is consistent with what other local jurisdictions have done. Accordingly, this bill will amend LVMC 6.02.060 and 6.02.115 to provide flexibility regarding the determination of eligible license categories.

**RECOMMENDATION:**

ADOPTION at the June 26, 2024 City Council Meeting pursuant to the June 3, 2024 Recommending Committee Meeting.
