**City Council**  
**Meeting of: October 16, 2024**

Agenda Item No.:  
**25**

---

**DEPARTMENT: Public Works**

**DISCUSSION**

**DIRECTOR: Joey Paskey**

**SUBJECT:**

Public hearing and discussion for possible action regarding the adoption of the 2023 Clark County Regional Flood Control District's (CCRFCD) Master Plan Update for the Las Vegas Valley as an amendment to the City of Las Vegas Flood Control Master Plan - All Wards

**FISCAL IMPACT:**

None

**PURPOSE/BACKGROUND:**

NRS Chapter 543.596 requires that the CCRFCD's Master Plan be updated every five years to add any new information, assess progress, and identify any major obstacle to the Master Plan. The Master Plan must be adopted as amendments to the individual master plans of affected local governments following a public hearing. The CCRFCD recently adopted an update, which has been forwarded to affected local governments for adoption.

**RECOMMENDATION:**
