

The annual National Hardware Show (NHS), March 26-28 will be in West Hall Las Vegas Convention Center featuring any product that might be sold in a hardware store. Plus the Inventor area where UPTO.gov will have a booth and Loews, Home Depot, Amazon, and others review and provide feedback to new product developers as they look for products to add to their stores.

To attend go to 1) NationalHardwareShow.com, 2) Select General Attendee Registration (that fee will increase closer to the event) 3) Enter email and Discount Code NHSPASS326 that will waive the Fee ... continue with registration
