Las Vegas, NV 89108

To whom it may concern,

I, Jose Medina, request that my variance be approved for the additional room, patio, and shed per my code enforcement notice. I utilize my patio to protect my family from the severe summer weather. The additional room was made for my son to stay in. I have a large family so I needed to make space to accommodate them which is also why I need the shed to organize additional items

Thank you,

Jose Medina
