**** STAFF REPORT ****

PROJECT DESCRIPTION

The applicant is requesting a Special Use Permit to convert one of the suites currently used for Vintage Vegas's retail operations to a bar with Alcohol, On-Premise Full at 1227 South Main Street.

ISSUES

- An Alcohol, On-Premise use is permitted in the C-M (Commercial/Industrial) zoning district with the approval of a Special Use Permit.
- This application is the result of a Code Enforcement Case (#CE23-02865) for a patio and bar that were added without a permit. This case has yet to be resolved.
- The applicant is also proposing to add a rear outdoor patio area, and to include outdoor seat in front of the building, subject to a license agreement.

ANALYSIS

The applicant is requesting a Special Use Permit in order to sell full alcohol on-premise in the tenant space at 1227 South Main Street. The tenant space is a single-story storefront, with a fenced area in front. The subject property is zoned C-M (Commercial/Industrial) and is within the DTLV-O (Downtown Las Vegas Overlay) Area 1 (18b Art's District). The site is therefore subject to Appendix F Downtown Las Vegas Interim Development Standards, and is exempt from distance separation requirements for the proposed Alcohol, On-Premise Full use. The conversion from a small retailer to the proposed Alcohol, On-Premise Full bar layout would result in an additional need for 34 parking stalls in accordance with Title 19.12., however, as this project is located within the Downtown Las Vegas Overlay - Area 1, it is not subject to the automatic application of parking requirements.

An Alcohol, On-Premise Full use is permitted in the C-1 (Limited Commercial) zoning district with the approval of a Special Use Permit. The Alcohol, On-Premise Full use is defined as "An establishment licensed to sell alcoholic beverages, not limited to the sale of beer, wine and coolers, for consumption on the premises where the same are sold." The proposed use meets the definition by proposing alcohol beverage sales limited to consumption on-premises. The Minimum Special Use Permit Requirements for this use include:

1. Pursuant to its general authority to regulate the sale of alcoholic beverages, the City Council declares that the public health, safety and general welfare of the City are best promoted and protected by generally requiring a minimum distance separation between an

Alcohol, On-Premise Full establishment and certain other uses that should be protected from the impacts associated with that establishment. Therefore, except as otherwise

Staff Report Page Two
October 10, 2023 - Planning Commission Meeting

provided in these Requirements, no Alcohol, On-Premise Full establishment may be located within 400 feet of any of the following uses: (a.) Church/house of worship; (b.) School; (c.) Individual care center licensed for more than 12 children; or (d.) City park.

The proposed use is exempt from this requirement as it is within the Downtown Las Vegas Overlay District, pursuant to requirement two below.

2. The distance separation requirement set forth in Requirement 1 does not apply to the following: (a.) An establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992; or (b.) Any Alcohol, On-Premise Full use located on property within the Pedestrian Mall, as defined in LVMC Chapter 11.68; the Downtown Entertainment Overlay District, as described in LVMC 19.10.120; or the 18b Arts District, as described in Appendix F to this Title. The Special Use Permit approval may include conditions designed to mitigate any impacts related to distance separation.

The proposed use is exempt from the distance separation requirement in accordance with Requirement #2(b) as it is within the 18b Arts District, as described in Appendix F.

The proposed Alcohol, On-Premise Full use is aligned with the goals of the 18b Arts District, as set forth in the Vision 2045 Downtown Masterplan. Further, the proposed Alcohol, On-Premise Full use is complimentary with their neighboring businesses, which include indoor recreation [Sin City Yoga], retail, several bars, and an Automotive Repair, Major business across the street. The proposed use can be conducted in a harmonious and compatible way with surrounding land uses and staff recommends approval, subject to conditions.

FINDINGS (23-0397-SUP1)

In order to approve a Special Use Permit application, per Title 19.16.110(L) the Planning Commission and City Council must affirm the following:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed Alcohol, On-Premise Full land use can be conducted in a harmonious and compatible manner with the surrounding land uses. The Alcohol, On-Premise, Full use is consistent with the 18b Art's District of the Vision 2045 Downtown Las Vegas Master Plan for culture and tourism.

- 2. The subject site is physically suitable for the type and intensity of land use proposed.**

Staff Report Page Three
October 10, 2023 - Planning Commission Meeting

The subject site is physically suitable for the intensity of the proposed use.

- 3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

Main Street is a 91-foot wide Primary Arterial and is subject to the Master Plan of Streets and Highways. This street is adequate in size to serve the automotive, pedestrian, and bicycle traffic of the proposed Alcohol, On-Premise Full use.

- 4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

The proposed use will be subject to business license review and periodic inspection, thereby safeguarding the public health, safety, and welfare.

- 5. The use meets all of the applicable conditions per Title 19.12.**

The proposed Alcohol, On-Premise Full use meets the minimum requirements set forth by Title 19.12.
