RE: 23-0572-GPA1 – Trails and Bike Streets Map Amendment

Dear Mr Floyd:

As you are aware, the City of Las Vegas, as part of its annual evaluation of the implementation of the 2050 Master Plan, proposes amendments to the master plan. During this review, staff has determined the need to provide additional clarification on the Trails and Bike Streets Map contained within Chapter 4, Goal I.A – Complete Streets. This map and other associated amendments will clarify different trail and bike street types, classifications, and locations throughout the city.

If you have any questions or concerns, please don't hesitate to ask.

Thank you,

Marco N. Velotta, AICP - Project Manager, 2050 Master Plan  
City of Las Vegas
