To Whom it May Concern,

I, Jesus Dorame-Mendias, am requesting my variance to be approved for the casita per my code enforcement notice, as well as the enclosed Patio and Storage Room. The main reason I would like to keep the casita is for storage. The storage room is used for occupational tools, without the ability in maintaining the storage, the security of the tools are compromised. Within the last week, Metro has received reports of individuals lurking around the neighborhood.

A variance for my attached carport was approved per 1746-VAR Case Planning Application.
