**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

This is the second request for an Extension of Time for an approved Site Development Plan Review (20-0352-SDR1) for a proposed 6,580 square-foot storage building at an existing Contractor's Plant, Shop & Storage Yard on 2.61 acres at 419, 421 and 507 West Bonanza Road.

**ISSUES**

- No permit for the proposed storage building has been issued, and no application has been submitted for review.
- The storage building addition was originally approved under an existing M (Industrial) zoning district with Waivers of Title 19 Appendix F Interim Downtown Las Vegas Development Standards (Area 2). In 2021, the site was rezoned T5-M (T5 Maker) as part of the Downtown Master Plan Historic Westside District and is now part of Area 3.
- There have been no Code Enforcement actions within the previous two-year approval period.

**ANALYSIS**

The site is now zoned T5-M (T5 Maker) to allow for development under Form-Based Code standards within the Historic Westside District. Adjacent parcels are also zoned T5-M, which allows for industrial-type uses. The subject storage building was approved while zoned M (Industrial) under Title 19 Appendix F Interim Downtown Las Vegas Area 2 Development Standards, which included Waivers of Title 19 parking, setback and perimeter landscape standards. The Planning Commission originally approved the Site Development Plan Review on February 9, 2021. Although the site was rezoned prior to the approval date of 20-0352-SDR1, the application for Site Development Plan Review was processed prior to Rezoning to T5-M.

No building permits have been issued for construction of this development, and no applications for permit have yet been submitted for review as of March 19, 2025. Operations of the existing contracting business on the subject site have changed hands during the last approval period, causing a delay in submitting plans for staff review. After a period of uncertainty, the new managers have stated their intent to continue with the proposed storage building as approved.

**Staff Report Page Two**  
**April 8, 2025 - Planning Commission Meeting**

During a recent field check, staff noted a well maintained office building and parking lot in front of a walled and gated storage area. Landscaping along Bonanza Road was well maintained. No landscaping is provided along City Parkway or Bonanza Road where there is no building frontage; this area contains small boulders (rip-rap) instead. No issues were noted.

**FINDINGS (25-0049-EOT1)**

The development as approved remains compatible with the existing contractor's yard, the adjacent zoning districts and land uses, which are commercial and industrial in nature. Staff therefore recommends approval of the requested second Extension of Time of the approved Site Development Plan Review (20-0352-SDR1) for another two-year period. If denied, these entitlements would be deemed expired as of February 9, 2025.

**BACKGROUND INFORMATION**

<b><i>Related Relevant City Actions by Planning, Fire, Building, Code Enforcement, etc.</i></b>	
03/13/08	The Planning Commission approved a request for a Variance (VAR-26606) to allow a 10-foot high perimeter fence where eight feet is the maximum height allowed at 419, 421 and 507 West Bonanza Road. Staff recommended approval.
01/20/21	The City Council approved a request for a General Plan Amendment (20-0166-GPA1) to amend a portion of the Southeast Sector Land Use Map of the General Plan from: L (Low Density Residential), ML (Medium Low Density Residential), M (Medium Density Residential), H (High Density Residential), MXU (Mixed Use), C (Commercial), LI/R (Light Industry/Research) and PF (Public Facilities) to FBC (Form-Based Code) on approximately 603.00 acres bounded by Owens Avenue on the north, Interstate 15 and Main Street on the east, U.S. 95 on the south and Martin L. King Boulevard on the west. The Planning Commission and staff recommended approval.
