When purchasing through the 1122 program, retain the quote, or the letter from the State Coordinator authorizing the purchase outside the program in the award file for your records.

Regardless of the funding source, this program is open to state and local government agencies for purchases under \$1,000.

3. Reimbursement of Grant Expenditures

In compliance with state and federal mandates, OCJA cannot reimburse sub-recipients for financial claims with expenditures until after receiving the federal award and all federal special conditions have been met. State agencies must complete the State Legislative process approving the receipt of the award. ~~Late fees are not eligible for reimbursement with federal funds.~~ Please consider that regardless of a possible delay in reimbursement, the requirement to submit monthly program progress reports and quarterly BJA PMT reports does not change.

4. Bullet Proof Vest Mandatory Wear Policy

The sub-recipient certifies it has a current written "Mandatory Wear" Policy in effect for uniformed officers while on duty. The policy must be in place before any Justice Assistance Grant funding can be used for the purchase of ballistic-resistant and stab-resistant body armor. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty.

5. Confidential Funds

I certify that I read, understand and agree to abide by all the conditions for confidential funds, including the establishment of written procedures, as set forth in the effective edition of the Office of Justice Programs (OJP), "Financial Guide." **Keep a copy of the written procedures in the award file for your records.**

6. Task Force Training Online

Agencies receiving partial or full funding for Task Force(s) activities from the Justice Assistance Grant, agree that within 120 days of award acceptance, **each current member of a law enforcement task force** funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, **along with course completion certificates.**

- 7. Executive Order 13929 Safe Policing for Safe Communities**, the Attorney General determined that all state, local, and university or college law enforcement agencies must be certified by an approved independent credentialing body or have started the certification process no later than January 31, 2021, to be eligible for FY 2021 DOJ discretionary grant funding. To become certified, the law enforcement agency must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. The certification requirement also applies to law enforcement agencies receiving DOJ discretionary grant funding through a subaward.

Include the certification letter for your agency from P.O.S.T.

8. Employment eligibility verification for hiring under the award.

All subrecipients must ensure that as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the subrecipient properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the subrecipient who are or will be involved in activities under this award of both—

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.
