Re: Daikon Vegan Sushi-SUP Application

To Whom It May Concern:

We are respectfully requesting a special use permit to allow for on premise consumption of alcohol sales and service (beer/wine) in conjunction with an existing restaurant and a waiver to allow an zero -foot distance separation from a City Park where 400 feet is required--at 7210 W. Lake Mead Blvd., Suite #1 (Ward 1), Las Vegas, NV 89128 (APN: 138-22-601-004). There is also 305 sq. ft. of outside patio dining.

This is a Vegas Sushi Restaurant that operated Monday - Saturday 11:00 am - 9 pm and Sunday from 3:00 pm - 9:00 pm. It's our belief that this project is harmonious and compatible with the surrounding area.

Thank you in advance for your time and attention to this matter.

Respectfully,

Nathaniel Taylor
