**The Great American Award is a program for fifth grade students that highlights the birth of our nation and the struggles of our country's history, instilling pride as students honor and respect the foundation of our country.**

**There are six requirements for receiving the Great American Award:**

- 1. Recite the Gettysburg Address from memory**
- 2. Recite the full name of all 46 presidents, in order, from memory**
- 3. Locate AND spell correctly the 50 states and capitals on a map**
- 4. Recite or sing our National Anthem, "The Star Spangled Banner," from memory**
- 5. Recite the Preamble to the Constitution of the United States from memory**
- 6. Write the Pledge of Allegiance with correct spelling, capitalization, and punctuation**

**The Great American Award was established by Mr. Clare Tobler in Boulder City, Nevada in 1983 in his own fifth grade classroom and has grown into an exemplary initiative in schools across the United States.**
