Comments:	<p>I OPPOSE this LED display. This is a residential area and it will be a nuisance. Also there is a school crosswalk in the vicinity and I would hate to think that a car driver would be distracted by the LED display and not pay attention to people in the crosswalk., any time of day.</p> <p>Please oppose this project. Thank you.</p>

Project Number:	25+0021-V
Position:	I OPPOSE the project and all related applications.
Name:	Andrew Johnson
Residential or Business Address:	1404 Splendido Dr. Las Vegas, NV 89117
Comments:	An LED sign is not necessary in a residential community. The available funds for this project would be served better in other areas or given back to all of the residents in the Peccole Ranch Community. Or the funds can be reimbursed to the community residents since HOA dues have increased 20% ver the last 2 years.

Comments: If my understanding is right that- Peccole Ranch association is asking to have an LED sign to display anything in regards to current activities in the community I don't see a problem with it.
