**** STAFF REPORT ****

PROJECT DESCRIPTION

A request from the applicant has been made to rename “Amaya Canyon Drive” located within approved Summerlin West Village 27 Parcel M – Phase 1 (Book: 172 and Page: 009) residential subdivision to “Astra Canyon Drive”.

ISSUES

- There are currently three addresses associated with the Amaya Canyon Drive roadway alignment (12419, 12750 and 13750 Amaya Canyon Drive).
- The Summerlin Design Review Committee approved the requested street name change in a letter dated August 14, 2024.

ANALYSIS

The street name “Astra Canyon Drive” has been proposed to replace the existing “Amaya Canyon Drive” road way alignment located within approved residential subdivision, “Summerlin West Village 27 Parcel M – Phase 1 (Book: 172 and Page: 009).” The applicant has indicated in the submitted justification letter, “The proposed name has been approved and reserved by City of Las Vegas Fire & Rescue GIS Division for the Howard Hughes Company’s use. The “Astra Canyon Drive” name change coincides with a revised marketing and branding strategy for the adjacent custom lot community.”

The request meets the criteria for valid street names per the City of Las Vegas Street Naming and Addressing Assignment Regulations, 2009 Edition. This name was submitted to Las Vegas Fire and Rescue - GIS Division for verification and subsequently approved to be utilized in the Summerlin West Master Plan area on June 24, 2024. Therefore, staff recommends approval of the requested street name change.

FINDINGS (24-0494-SNC1)

Staff has no objection to the requested street name change. The right-of-way is currently under construction. There are currently three addresses associated with the existing Amaya Canyon Drive road way alignment. There have been four building permits and one use permit for a storm water inspection in that have been issued for the existing addresses as the residential subdivision is currently under construction. All parcels with the residential

DEVELOPMENT STANDARDS

Pursuant to the Street Naming and Address Assignment Regulations, 2009 Edition, the following standards are applicable to the proposed street name change:

Code Section	Requirements	Proposed
IV.B.1	A primary street name shall be used only once and shall not be used in any other alignment. The same primary street name cannot be repeated with a different suffix, in the case where the street crosses jurisdictional boundaries.	The proposed street name adheres to this requirement and does not exist in another location.
