**RE: LETTY'S EOT Land Use Entitlement / EXTENTION 24-0606**

To whom it may concern.

In regard to 24-0606 we are requesting the need for approval to extend our application. Please note that the economy has been very difficult to continue within this year. We would like to keep our project for the near future of the coming year of 2025. We consider this time will allow the economy/recession, high interest rates etc. to be reduced in the coming year.

We request your approval for this extension.

Respectfully,

Leticia Mitchell

Manager Member of LS Ventures, LLC
