**Meeting of: July 17, 2024**

Agenda Item No.:  
**33**

---

**DEPARTMENT: Public Works**

**CONSENT**

**DIRECTOR: Joey Paskey**

**SUBJECT:**

For possible action to approve an interlocal agreement between the City of Las Vegas (CLV), Clark County, and the Regional Transportation Commission of Southern Nevada (RTC) to procure a software solution to improve communication related to roadway construction and traffic delays to the public with One Network USA, Inc. - All Wards

**FISCAL IMPACT:**

None

**PURPOSE/BACKGROUND:**

This is an interlocal agreement for the Work Zone Management software with One Network USA, Inc., in coordination with the CLV and Clark County. This project will implement a regional strategic plan for work zone coordination to improve public messaging and response to construction impacts on transit and traffic management. This interlocal agreement will provide procurement of a software solution and implementation that will better communicate to the public on roadway construction and associated traffic delays for the implementation.
