Foundation to Assist Young Musicians ("FAYM")

The Mayor and the Las Vegas City Council acknowledge the significant contributions of Foundation to Assist Young Musicians ("FAYM"). Their music education program has positively influenced hundreds of children in our city through individual and group guitar, cello, and violin lessons. We love the addition of the mariachi programs, specialized workshops and camps. Thank you for enriching the lives of our children through the power of music!

First Friday Foundation

The Mayor and the Las Vegas City Council recognize the significant contributions of the First Friday Foundation. Over the past two decades, First Fridays has become a beacon for the arts community in the Arts District. We are excited for the addition of the annual ARTUOK? event, focused on our youth's healing, self-awareness, and expression through artistic means.

Thank you for enhancing the arts in our community!
