Joseph Vanek	-	-	x2230 Shaw Cir	-	X	-	Stop installing speed humps. They do more harm than good
Leo Capobianco	-	-	2121 Bogart Ct. Las Vegas, NV. 89117	X	-	-	Cars race up and down Obannon constantly. Especially late at night. They are loud and obnoxious. During the day they don't slow down while driving past Rainbow Family Park. Children are in the area, as well as people walking their dogs. Please, please install the speed bumps. Our backyard backs up to Obannon. At some point I can see one of these street racers losing control and coming right through our wall.
Harold Turner	-	-	2201 s Tioga way LV 89117	X	-	-	The letter QR code addressed speed cushions on O'Bannon between Buffalo Dr and Rosanna st. The page above is for the west side of Buffalo. The east side of Buffalo is used as a high speed bypass of Sahara. These are needed desperately.
Boyd, Cynthia, and Nicole	-	-	7030 Obannon drive Las Vegas NV. 89117	X	-	-	Thank you. With your support This project will save lives at rainbow family park.
