**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

The applicant is requesting a Review of Condition to delete Condition #4 of previously approved Tentative Map (24-0345-TMP1) that states, "Sign and record a deed restriction with language determined to be satisfactory by the city attorney which restricts the use of the site to an age-restricted community for those persons 55 years of age or older, to the full extent of the law."

**ISSUES**

- On September 10, 2024 the Planning Commission approved a request for a Tentative Map (24-0345-TMP1) for a proposed 387-lot single family residential attached and detached subdivision on 88.54 acres at the northwest corner of Lake Mead Boulevard and Park Drift Trail.
- The 387 residential lots associated with Tentative Map (24-0345-TMP1) where designed to adhere with Summerlin - Single Family Special Lot Development (SFSD) Exhibit 2.2 and 2.10 development standards.

**ANALYSIS**

The subject site is located within Summerlin West Village 27 and is labeled parcel "L" with an AA (Active Adult) Summerlin Special Land Use designation, which is governed by a Development Agreement between the Master Developer and the City of Las Vegas, as well as the Summerlin Development Standards. The Active Adult land use district is limited to development for an Active Adult market segment, which is known by several terms including Age-Restricted, Age-Targeted, Age-Qualified, 55-Plus or terms that may be intended for residents of a certain age and as allowed by law. Property within this District will be deed restricted to a minimum age requirement.

On September 10, 2024 the Planning Commission approved Tentative Map (24-0345-TMP1) for a proposed single-family residential attached and detached subdivision on parcel "L" at the northwest corner of Lake Mead Boulevard and Park Drift Trail. The tentative map was for 387 single family residential lots with a density of 4.37 dwelling units per acre. Also, the approved tentative map indicated the development to be built to AA (Active Adult) Summerlin Special Land Use Designation development standards in accordance with SFSD (Single Family Special Lot Development) Exhibit 2.2 (Front Loaded Lots with Attached Garages) for the detached product and Exhibit 2.10 (Front Loaded Attached Units with Attached Garages) for the attached duplexes.

**April 8, 2025 - Planning Commission Meeting**

A condition (#4) was added which stated, “Sign and record a deed restriction with language determined to be satisfactory by the City Attorney which restricts the use of the site to an age-restricted community for those persons 55 years of age or older, to the full extent of the law.”

The applicant has requested that Condition #4 be removed from the approved Tentative Map (24-0345-TMP1), which would allow the development to not be age restricted to 55 an older. Also, the applicant has submitted a request for a Minor Modification (25-0009-MOD1) to amended the Special Land Use designation of the site from AA (Active Adult) to SFSD (Single Family Special Lot Development), which is consistent with the SFSD Exhibit 2.2 (Front Loaded Lots with Attached Garages) for the detached product and Exhibit 2.10 (Front Loaded Attached Units with Attached Garages) for the attached duplexes that are associated with the approved Tentative Map (24-0354-TMP1).

Staff has determined that the proposed removal of Condition #4 is appropriate for the proposed development and will allow the proposed development of the approved 387-lot single family residential attached and detached subdivision associated with Tentative Map (24-0345-TMP1) with no age restrictions. Furthermore, the proposed land use modification (25-0009-MOD1) from AA (Active Adult) to SFSD (Single Family Special Lot Development) was reviewed and conditionally approved by the Summerlin Non-Residential Design Review Committee on December 24, 2024, prior to submittal to the City for review. The Department of Community Development - Planning Division administratively approved Minor Modification (25-0009-MOD1) on February 24, 2025. Therefore, staff recommends approval of this request.

**FINDINGS (25-0009-ROC1)**

Staff has determined that the proposed removal of this condition is appropriate for the proposed development, which is consistent with the Summerlin Non-Residential Design Review Committee approval to modify the Summerlin Special Land Use designation of the site from AA (Active Adult) to SFSD (Single Family Special Lot Development). Therefore, staff recommends approval of this request.
