E-2 Disputes [CAO-4/2020]

- (a) For each claim or dispute arising between the parties under this Contract, the parties shall attempt to resolve the matter through escalating levels of management. In the event arbitration is the designated forum, such arbitration shall be binding on the parties.
- (b) If arbitration is selected by the City as the forum for further resolution, the claim or dispute shall be filed with the American Arbitration Association under its then current Commercial Arbitration Rules, Expedited Procedures, regardless of the amount of the claim or dispute.
- (c) The laws of the State of Nevada shall govern the validity, construction, performance, and effect of this Contract, without giving effect to its conflict of law provisions. - (a) If timely performance by the Company is jeopardized by the non-availability of City provided personnel, data, or equipment, the Company shall notify the City immediately in writing of the facts and circumstances causing such delay.

Upon receipt of this notification, the City will advise the Company in writing of the action which will be taken to remedy the situation.

- (b) The Company shall advise the City in writing of an impending failure to meet established milestones or delivery dates based on the Company's failure to perform. Notice shall be provided as soon as the Company is aware of the situation; however, such notice shall not relieve the Company from any existing obligations regarding performance or delivery.

E-4 Termination for Convenience [CAO-08/22/2019]

The City shall have the right at any time to terminate further performance of this Contract, in whole or in part, for any reason whatsoever (including no reason). Such termination shall be effected by written notice from the City to the Company specifying the extent and effective date of the termination. On the effective date of the termination, the Company shall terminate all work and take all reasonable actions to mitigate expenses. The Company shall submit a written request for incurred costs for services performed through the date of termination, and shall provide any substantiating documentation requested by the City. In the event of such termination, the City agrees to pay the Company within thirty (30) days after receipt of a correct, adequately documented written request. The City's sole liability under this Section is for payment of costs for goods and services requested by the City and actually performed by the Company.

E-5 Event of Default [CAO-12/30/2020]

- (a) If, during the term of this Contract, the Company (i) fails to deliver services that comply with the Scope of Work, (ii) fails to deliver the services within the time specified in the Purchase Order or Scope of Work or any extension thereof, (iii) fails to make progress so as to endanger the performance of this Contract, (iv) becomes insolvent, bankrupt or makes an assignment for the benefit of creditors, or if a receiver or trustee in bankruptcy is appointed for the Company, or if any proceeding in bankruptcy, receivership, or liquidation is instituted against the Company and is not dismissed within thirty (30) days following commencement thereof, or (v) fails to perform any of the other obligation or requirement of this Contract, then any of the aforementioned failures shall constitute an "Event of Default" under this Contract.
- (b) If there occurs an Event of Default, the Company shall be entitled to ten (10) calendar days from written notice thereof to remedy the Event of Default, provided, however, such is capable of being remedied within that period. If the Event of Default can be remedied, but the remedy cannot be completed within the ten (10) day period, the Company may be allowed such additional time as may be reasonably necessary to remedy the Event of Default, provided, however, the remedy is commenced within the ten (10) day period and is diligently pursued to completion but in no event later than thirty (30) days after such written notice. Said time period may be extended at City's sole discretion. If the Event of Default is incapable of remediation, or is not remedied as required herein, the City may, in addition to any other remedies available in law or equity, invoke any of the remedies provided for under Section E-6, "Termination for Default", below.

E-6 Termination for Default [CAO-4/2020]

- (a) If the Event of Default is not remedied as required pursuant to Section E-5, "Event of Default", the City may, by written notice to the Company pursuant to Section E-1, "Legal Notice", terminate this Contract in whole or in part.
- (b) If this Contract is terminated in whole or in part because the Company has failed to provide services in compliance with the specifications by the deadline of remediation period, the City may acquire, under reasonable terms and in a manner it considers appropriate, replacement services that are comparable to the services that the Company failed to deliver to the City, and the Company shall be liable to the City for any excess costs related thereto. If the City terminates this Contract only in part, the Company shall continue to perform the un-terminated obligations or portions of this Contract.
- (c) The Company shall not be liable for any excess costs if the failure to perform the Contract arises from circumstances beyond the control of, and without the fault or negligence on the part of, the Company. These circumstances are limited to such causes as (i) acts of God or of the public enemy, (ii) acts of governmental bodies, (iii) fires, (iv) floods, (v) epidemics/pandemics, (vi) quarantine restrictions, (vii) labor strikes, (viii) freight embargoes, or (ix) unusually severe weather. The time of performance of the Company's obligations under this Contract shall be extended by such period of enforced delay; provided, however, that such reasonably extended time period shall not exceed sixty (60) days. If the foregoing circumstances result in a delay greater than 60 days, the City may terminate the affected portion of the Contract pursuant to the terms of Section E-4, "Termination for Convenience".
- (d) The City retains the right to terminate for default immediately if the Company fails to maintain the required insurance, and/or bonding, fails to comply with applicable local, state, and federal statutes governing performance of these services, or fails to comply with statutes involving health or safety.

- (e) If the City fails to perform any of its obligations required under this Contract, and the City does not remedy the failure after notice thereof is provided to the City by the Company pursuant to the requirements of Section E-1, "Legal Notice" above, the Company shall have the right to treat the failure as a claim or dispute subject to the resolution provisions of E-2, "Disputes" of this Contract. During the period of such resolution, the Company shall continue with its performance under the Contract.

E-7 Limitation of Funding/Non-Appropriation [CAO-4/2020]

The Company acknowledges that City is a governmental entity and the Contract's validity is based upon the availability of public funding under its authority. The City reserves the right to reduce estimated or actual quantities, in whatever amount necessary, without prejudice or liability to the City, if funding is not available or if legal restrictions are placed upon the expenditure of monies for the services required under this Contract. In addition, and without prejudice or liability to the City, if funds are not appropriated or otherwise made available to support continuation in any fiscal year succeeding the first fiscal year, this Contract will be deemed to have been terminated automatically when appropriated funds expire and are not available. The City shall notify Company in writing of any such non-allocation of funds at the earliest possible date and shall pay Company any reasonable fees earned and costs incurred in performing this Contract for any period prior to such notice.

E-8 Changes - Fixed-Price Goods or Services [CAO-4/2020]

- (a) The City may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this Contract in any one or more of the following:
 - (i) Description of services to be performed or goods to be provided.
 - (ii) Time of performance (i.e., hours of the day, days of the week, etc.).
 - (iii) Place of performance of the services.
 - (iv) Time or place of delivery of goods.
- (b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Contract, the Company shall provide current, complete, and accurate documentation to the City in support of any request for equitable adjustment.
- (c) The Company must assert its right to an adjustment under this clause within thirty (30) days from the date of receipt of the written order, or shall otherwise be barred and shall have waived any right to an adjustment under this clause.
- (d) The parties shall negotiate a timely requested equitable adjustment by mutual written agreement and the change will be effected by purchase order revision. Failure to agree to any adjustment shall be a dispute under Section E-2, "Disputes"; however, nothing in this clause shall excuse the Company from proceeding with the Contract as changed.

E-9 Entire Contract, Section and Paragraph Headings [CAO-4/2020]

- (a) This Contract represents the entire and integrated agreement between the City and the Company. It supersedes all prior and contemporaneous understandings, negotiations, communications, representations, and agreements, whether oral or written, relating to the subject matter of this Contract.
- (b) The section and paragraph headings appearing in this Contract are inserted for the purpose of convenience and ready reference. They do not purport to define, limit, or extend the scope or intent of the language of the sections and paragraphs to which they pertain.

E-10 Order of Precedence [CAO-7/24/08]

In the event of a conflict between the specific language set forth in Sections A through E of this Contract and any Attachment or Exhibit, the specific language in Sections A through E shall prevail. Any exception to this order of precedence will be addressed through specific language elsewhere in Sections A through E.

E-11 Severability [CAO-7/24/08]

The invalidity, illegality, or unenforceability of any provision of this Contract or the occurrence of any event rendering any portion or provision of this Contract void shall in no way affect the validity or enforceability of any other portion or provision of this Contract. Any void provision shall be deemed severed from this Contract, and the balance of this Contract shall be construed and enforced as if this Contract did not contain the particular portion or provision held to be void. The parties

further agree to amend this Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this clause shall not prevent this entire Contract from being void should a provision which is of the essence of this Contract be determined void.

E-12 Waiver [CAO-7/24/08]

Waiver of any of the terms of this Contract shall not be valid unless it is in writing signed by each party. The failure of the City to enforce any of the provisions of this Contract, or to require performance of any of the provisions herein, shall not in any way be construed as a waiver of such provisions or to affect the validity of any part of this Contract, or to affect the right of the City to thereafter enforce each and every provision of this Contract. Waiver of any breach of this Contract shall not be held to be a waiver of any other or subsequent breach of this Contract.

E-13 Modification/Amendment [CAO-7/24/08]

This Contract shall not be modified or amended except by the express written agreement of the parties, signed by a duly authorized representative for each party. Any other attempt to modify or amend this Contract shall be null and void, and may not be relied upon by either party.

- (a) In addition to the insurance requirements set forth in Section D-5, "Insurance", and not in lieu thereof, the Company shall protect, defend, indemnify and hold harmless the City, its elected officials, officers, employees, agents, and consultants (collectively herein the "City") from and against any and all claims, liabilities, damages, losses, suits, actions, decrees, arbitration awards and judgments including attorney's fees, court costs or other expenses of any and every kind or character (collectively herein the "Liabilities") which may be recovered from or sought against the City, as a result of, by reason of, or as a consequence of (i) any act or omission, negligent or otherwise, on the part of the Company, its officers, employees, independent contractors, vendors, suppliers, consultants, or agents in the performance of the terms, conditions and covenants of the Contract; or (ii) a breach of any agreement between the Company and its employees, vendors, independent contractors, suppliers, consultants or agents; or (iii) any default in the performance of any obligation on Company's part to be performed under the terms of this Contract, regardless of whether the Liabilities were caused in part by the City. Company agrees that it is assuming the sole risk of any Liabilities related to the contraction by Company's officers, employees, vendors, suppliers, agents, independent contractors, and consultants or any other person of any viral infection or other disease, including, without limitation, COVID 19, related to the performance of this Contract and that Company's indemnity obligations contained herein cover any such Liabilities. In no event shall the language in this Section constitute or be construed as a waiver or limitation of the City's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the Federal and State Constitutions or by law.
- (b) If a third party claim against the City for negligent performance by the Company is within the limits of its liability insurance, and the insurance company has accepted the City's tender of defense, then the City will pay the Company what is due and owing to them within the payment method specified in this Contract. However, if the claim is greater than the coverage amount, the City, for its protection, may retain any money due and owing the Company under this Contract, until the claim has been resolved. In the event no money is due and owing, the surety, if required, of the Company, may be held until all of the Liabilities have been settled and suitable evidence to that effect furnished to the City.
- (c) It is expressly agreed that the Company shall defend the City at Company's expense, by legal counsel reasonably satisfactory to City, against the Liabilities and in the event that the Company fails to do so, the City shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs, including attorney's fees and court costs, to the Company. Company's indemnity obligations herein are not intended to nor shall they relieve any insurance carrier of its obligations under policies required to be carried by Company pursuant to the provisions of this Contract. Company's obligations under this Section shall survive any termination of this Contract.

The Company's failure to remedy the deficiency shall constitute a material breach of this Contract. The City shall be entitled to its costs and reasonable attorney fees in enforcing the provisions of this Section.
- (c) If at any time during the term of this Contract, or at any time after the expiration or termination of the Contract, the City or the City's designated representative(s) find the dollar liability is less than payments made by the City to the Company, the Company agrees that the difference shall be either: (i) repaid immediately by the Company to the City or (ii) at the City's option, credited against any future billings due the Company.

The Company shall have the right to use any such confidential information only for the purpose of providing the services under this Contract, unless the express prior, written consent of the City is obtained. City shall be and remain the sole owner of such confidential information. Nothing contained in this Contract shall be construed as granting or conferring any right or license in the City's information or in any patents, software, or other technology, either expressly or by implication to the Company. INTRODUCTION

The City of Las Vegas Municipal Court (hereinafter Court) entered into a contract to implement the eCourt Case Management System (hereinafter CMS) approximately 8 years ago. In April of 2023 the Court went live with a minimally viable product (MVP). The MVP is missing critical functions which the Court, vendor, and City of Las Vegas have been collaboratively working on to incorporate into the product. To further assist with developing and successfully implementing these critical functions they have identified the need for an experienced project manager or coordinator. The National Center for State Courts (NCSC) has been asked to provide project management and coordination services.

PROJECT DESCRIPTION

NCSC will assist the Court by providing and supporting qualified consultants to provide project management, operational, and administrative support to the Municipal Court staff, project team, and sponsor. NCSC's project management team will focus on specific deliverables with scheduling, organizing, data gathering, progress updating, recordkeeping, and reporting. They will be responsible for the administrative tasks that help the project team plan and execute.

Duties include:

- Excellent communication and interpersonal skills to facilitate collaboration between cross-functional teams.
- Strong task and project tracking skills, with the ability to follow up consistently with Municipal Court staff and the technical team to provide timely updates.
- Ability to collaborate with vendors, manage tickets, follow up on pending items, and maintain an organized task status.
- Experience leading meetings, especially in cross-functional settings, ensuring discussions stay focused and productive.
- Providing detailed agendas and clear action items after each meeting is crucial.
- Analyzing risks: Assessing potential risks and setbacks and preparing action plans.
- Providing documentation: Creating and storing documents and keeping records and reports up to date.
- Tracking any expenditures.
- Fundamental understanding of related software and a proactive problem-solving approach.

The team will work on average approximately 21 hours per week with oversight provided by both the Court and NCSC. To further support the project manager and success of their work, NCSC will provide guidance and supervision via a biweekly one-hour project check-in.
