- 4.1.5 Acceptance by the City of any payment due under this Section shall not be deemed to be a waiver by the City of any breach of Company's obligations under this Franchise Agreement or applicable law, and such acceptance shall not preclude the City from later establishing that a larger amount was actually due or from collecting or receiving a refund of such balance.

### 4.2 Franchise Fees.

- 4.2.1 In the event that the business license fees required by Section 4.1 above are declared illegal, unconstitutional, or void for any reason, Company shall be contractually bound to pay the City as a franchise fee for its use of the Rights-of-Way, as provided for herein, an aggregate amount equal to the amounts which otherwise would have been paid as Quarterly License Fees (the "Telecommunications Franchise Fees").

Company understands that all above-ground equipment cabinets located in the Rights-of-Way are discouraged and generally prohibited as a matter of City policy, except as otherwise approved in writing by the Public Works Director. Unless otherwise approved as provided above for the Rights-of-Way, any installation of above-ground equipment cabinets will be required to be placed in an easement on private property adjacent to the Rights-of-Way, and will require additional approvals and/or permitting under applicable ordinances. Notwithstanding anything in the foregoing, the installation of below-ground vaults shall be allowed within the Rights-of-Way pursuant to applicable zoning and undergrounding provisions contained in the City Code and provided that Company will be responsible for all costs associated with such below-ground vaults, including without limitation relocation costs of any public improvements or public utilities facilities. Company agrees to comply with the City's current ordinances regarding such installations as well as any future regulations that may be adopted by the City respecting such installations. In no instance shall the installation of any of Company's Facilities or any appurtenant structures block pedestrian walkways in Rights-of-Way or result in violation of the Americans with Disabilities Act, or obstruct sight visibility as defined by City ordinance or Regional Transportation Commission of Southern Nevada standard drawings;
- 6.1.3 Company shall not place any poles within the City Rights-of-Way without the City's prior written approval;
- 6.1.4 Company shall not attach any of its Facilities to any City-owned Facilities or share any City conduit unless Company has entered into a written agreement with the City for the express rights of attachment and use;
- 6.1.5 City may limit by day of week and time of day construction affecting street and/or lane closures; and
- 6.1.6 City reserves the right to assist in the coordination and scheduling of any

Company projects where such project may be reasonably coordinated with the placement of other Right-of-Way user's facilities. Otherwise, and subject to City permitting processes and approvals, it is recognized that, notwithstanding the foregoing, the Company retains discretion over the timing of the Company's proposed projects consistent with the terms of this Franchise Agreement.

- 6.2 Whenever work is performed in any Rights-of-Way, Company shall take all reasonable precautions to minimize interruption to traffic flow, damage to property, or creation of a hazardous condition.
- 6.3 After any excavation shall be made and after work is completed pursuant to the provision of this Franchise Agreement, Company, at Company expense shall, as soon as practicable, but not longer than 24 hours, remove all surplus material in compliance with specifications, requirements and regulations of the City in effect at the time of such restoration and restore the portion of the Rights-of-Way. All costs incurred in surplus material removal and restoration, whether done with the City's work forces and equipment or otherwise, shall be paid by Company, including the cost of any inspectors the City may assign to the project.
- 6.4 Company shall reconstruct, replace or restore any landscaping, street or alley, or any water, sewer, sanitary sewer, storm drainage, traffic signal or street light Facility, or any other Facility of the City disturbed by Company, whether during a location, relocation or reconstruction of a Facility, within thirty (30) days of written notice by the City, to the condition acceptable to the Building Official commensurate with the condition it was in prior to the work, consistent with specifications, requirements and regulations of the City in effect at the time of such restoration. City personnel may be present during any such reconstructing, replacement or restoration. All costs incurred in surplus material removal and restoration, whether done with the City's work forces and equipment or otherwise, shall be paid by Company, including the cost of any inspectors the City may assign to the project.
- 6.5 Company shall be responsible for the maintenance and repair of all Rights-of-Way impacted by the presence of the Company's Facilities subject to all City Ordinances and within reasonable proximity of and upon which the Company maintains above-ground Facilities, including the removal of weeds and litter.
- 6.6 Company shall install all of its Facilities in the Rights-of-Way in a manner consistent with the Americans with Disabilities Act ("ADA") including Public Rights of Way Accessibility Guidelines ("PROWAG"), including any reconstruction or modification of existing Facilities. Following notice by the City of an ADA violation caused directly or indirectly by Company, Company shall, within thirty (30) days or such other time as the Public Works Director reasonably determines to be appropriate, remedy the ADA violation or problem. Notwithstanding any other language in this Franchise Agreement regarding breach, notice and cure, failure to alleviate such non-compliance is a breach of this

## Franchise Agreement.

6.7 Damages Caused by Company. Company shall, at its sole cost and expense and to the satisfaction of the City:

- 6.7.1 remove, repair or replace any of its Facilities that are damaged, become detached or have not been used for a period of more than ninety (90) days; and/or
- 6.7.2 report to the City within 24-hours any damage to Rights-of-Way, municipal facilities or property, whether public or private, caused by Company, its agents, employees or contractors in their actions relating to operation, repair or maintenance of Facilities and immediately undertake any necessary repairs.

If Company does not remove, repair or replace such damage to its Facilities or to Rights-of-Way, municipal facilities or other property within thirty (30) days after receipt of the City's notice to do so, the City shall have the option, upon fifteen (15) days' notice to Company, to perform or cause to be performed such removal, repair or replacement on behalf of Company and shall charge Company for the actual costs incurred by the City. If such damage causes a public health or safety emergency, as determined by the City, the City may immediately perform reasonable and necessary repair or removal work (but not any technical work on Company's Facilities) on behalf of Company and will notify Company as soon as practicable. Upon the receipt of a demand for payment by the City, Company shall within thirty (30) days after such receipt reimburse the City for such costs.

- 6.7.3 The terms of this provision shall survive the expiration, completion or earlier termination of this Franchise Agreement.

7.0 Location and Relocation of Facilities.

- 7.1 Company shall place all Facilities so that they do not interfere with the use of Rights-of-Way by the City and shall only be placed after approval of the location by the Public Works Director and in accordance with any specifications adopted by the City governing the location of Facilities. City reserves the right to construct, install, maintain and operate any public improvement, work or facility, do any work that City may find desirable on, over, or under any Rights-of-Way, and vacate, alter, or close any Rights-of-Way. All such work shall be done in such manner as not to obstruct, injure or prevent free use and operation of the Company's Facilities. The Company agrees to comply with the Code when locating facilities in Rights-of-Way.
- 7.2 Relocation and Displacement of Facilities. Company understands and acknowledges that upon ninety (90) days' written notice (or with less notice that is reasonable in the event of an emergency) City may require Company to relocate one or more Facility installations. Company shall at City's direction relocate such

  - 7.2.3 to protect or preserve the public health or safety.
- 7.3 If Company shall fail to relocate any Facilities as requested by the City within ninety (90) days after receipt of the City's notice in accordance with the foregoing provision, or an additional reasonable time under the circumstances, City shall be entitled to remove or relocate the Facilities at Company's sole cost and expense, upon ten (10) days' written notice to Company. Company shall pay to the City actual costs and expenses incurred by the City in performing any removal work and any storage of Company's property after removal within thirty (30) days after the date of a written demand for this payment from the City.

## **8.0 Public Works and Improvements.**

- 8.1 City reserves the right to construct, install, maintain and operate any public improvement, work or facility and do any work that the City may find desirable on, over, or under any Rights-of-Way or public place. All such work shall be done, if possible, in such manner as not to obstruct, injure or prevent free use and operation of the Company's Facilities.
- 8.2 Whenever City shall excavate or perform any work in any present and/or future Rights-of-Way or public place of the City, or shall contract, for such excavation work, where such excavation or work may disturb but not require removal or relocation of Company's Facilities, the City shall notify the Company sufficiently in advance of such contemplated excavation or work to enable the Company to take such measures as may be deemed necessary to protect such Facilities from damage and possible inconvenience or injury to the public or the City's Rights-of-Way or public place. If the Company cannot take such measures, the Company shall be required to relocate its Facilities in accordance with this Franchise Agreement. In such case, the Company upon request, shall furnish field markings to the City or contractor, as the case may be, showing the location of all its Facilities in the area involved in such proposed excavation or other work.
- 8.3 Whenever City shall vacate any Rights-of-Way or public place for the convenience or benefit of any person or governmental agency or instrumentality, the Company's rights shall be preserved as to any of its Facilities then existing in such Rights-of-Way or public place.

lower or raise the aerial cables or wires or other apparatus of the Company to permit the passage of any building, machinery or other object, the Company shall perform such rearrangement upon the receipt of written notice from the person or persons desiring to move said building, machinery or other objects. The written notice shall detail the route of movement of the building, machinery or other object. The costs incurred by the Company in making such rearrangements of its aerial Facilities will be borne, excepting the City, by the person or persons seeking such rearrangement, unless the aerial Facilities are placed or maintained in violation of the applicable rules of any local, state, or federal regulatory agency and thereby interferes with the movement.

under this Franchise Agreement and all applicable laws.

11.2.6 All bonds shall be substantially in the same form as that contained in Exhibit B attached hereto or as otherwise approved by the City.

11.3 Replenishment of Security. If at any time the City draws upon such performance security, Company shall within thirty (30) days after written notice from the City replenish such performance security to the original minimum amount required by this Section.

**14.0 Rates.** The rates to be charged by the Company for the Services shall comply with the appropriate local, state or federal regulatory authority, or any other governmental official, commission or body having jurisdiction. If no governmental official, or body had rate setting jurisdiction, the Company may set rates to be charged at its sole discretion. To the extent that the City may in the future become entitled to set fees and charges for the Services, the City reserves the right to regulate the rates, fees, charges, deposits and associated terms and conditions for the Services to the fullest extent permitted by applicable law with appropriate procedural due process.

**15.0 Franchise Not Exclusive.** The franchise granted shall not be exclusive and shall not be construed as a limitation on the City.

**16.0 Assignment of Franchise.** Company shall not transfer or assign any rights under this Franchise Agreement or lease total capacity of its system or Network to another entity unless the

City shall first be given the opportunity to review the financial, technical and operational qualifications of such entity and give its approval in writing within ninety (90) days of such notice of intent to transfer or assign. City shall not unreasonably withhold approval. This prohibition shall not apply if Company or its total Network or system capacity is transferred, assigned, or sold to a parent, subsidiary, or affiliate. This prohibition shall not apply to assignments made or security interests granted in order to secure financing; however, Company agrees to provide at least thirty (30) days' advance notice of any such transfer, assignment or sale.

**17.0 Additional City Rights.** Pursuant to the City Charter and applicable State statute, the right and privilege of the City to construct, purchase or condemn a public utility or telecommunications provider located within or without the boundaries of the City is expressly recognized herein.

**18.0 Equal Opportunity and Affirmative Action.** Company is committed to stimulating and strengthening the participation of minorities and women within the Company and is also committed to the principle that the success and economic well-being of the Company are related closely to the economic strength and vigor of the communities and people it serves.

**19.0 Indemnification.** Company agrees to indemnify, defend, protect, and hold harmless the City, its elected officials, officers, and employees from and against any and all claims, demands, losses, damages, liabilities, fines, charges, penalties, administrative and judicial proceedings and orders, judgments, and all costs and expenses by reason of the construction, maintenance and operation of its Facilities, and conduct of business, or any way arising out of performance under this Franchise Agreement, directly, or indirectly, when or to the extent injury is caused, or alleged to have been caused, wholly or in part, by any act, omission, negligence, or misconduct of the Company or any of its contractors, subcontractors, officers, agents, or employees, or by any person for whose act, omission, negligence, or misconduct, the Company is by law responsible.

This provision is not intended to create liability for the benefit of third parties but is solely for the benefit of the Company and the City. In the event any claim is made against the City that falls under this indemnity provision and a Court of competent jurisdiction should adjudge, by final decree, that the City is liable therefor, the Company shall indemnify and hold the City harmless of and from any such liability, including any court costs, expenses, and Reasonable Attorney Fees incurred by the City in defense thereof and incurred at any stage, except to the extent that the City failed to provide notice thereof to Company, and tender defense of the same to Company, and said failure materially impaired Company's ability to undertake the defense thereof. Upon commencement of any suit, proceeding at law or in equity against the City relating to or covering any matter covered by this indemnity, wherein the Company has agreed by accepting this Franchise Agreement, to indemnify and hold the City harmless, or to pay said settlement, final judgment and costs, as the case may be, the City shall give the Company immediate notice of such suit or proceeding; whereupon the Company shall provide a defense to any such suit or suits, including any appellate proceedings brought in connection therewith, and pay as aforesaid, any settlement, costs or judgments that may be rendered against the City by reason of such damage suit.

Upon failure of the Company to comply with the "defense of suit" provisions of this Franchise Agreement, after reasonable notice to it by the City, the City shall have the right to defend the same and in addition to being reimbursed for any settlement or judgment that may be rendered

against the City, together with all costs incurred therein, the Company shall reimburse the City Reasonable Attorney Fees, including those employed by the City in such case or cases, as well as all expenses incurred by the City by reason of undertaking the defense of such suit or suits, whether such suit or suits are successfully defended, settled, comprised, or fully adjudicated against the City. In the event the City is compelled to undertake the defense of any such suit by reason of the Company's failure to perform as here and above provided, the City shall have the full right and authority to make or enter into any settlement or compromise of such adjudication as the governing body shall deem in the best interest of the City, this without the prior approval or consent of the Company with respect to the terms of such compromise or settlement.

- 20.2 Filing of Certificates and Endorsements. Prior to the commencement of any work pursuant to this Franchise Agreement, Company shall file with the City original certificate(s) of insurance evidencing the coverages and limits required by this

Section 20 which shall state the following:

- 20.2.3 That Company's Commercial General Liability insurance policy is primary as respects any other valid or collectible insurance that the City may possess, including any self-insured retentions the City may have; and any other insurance the City does possess shall be considered excess insurance only and shall not be required to contribute with this insurance; and
- 20.2.4 That Company's Commercial General Liability insurance policy waives any right of recovery the insurance company may have against the City.
- 20.2.5 The certificate(s) of insurance shall be mailed to the City at the address specified in Section 39 below. Company shall promptly deliver to the City a certificate of insurance with respect to each renewal policy, as necessary to demonstrate the maintenance of the required insurance coverage for the terms specified herein.

Company shall comply with the provisions of NRS Chapters 616A through 616D regarding industrial insurance and, if required to maintain coverage for employees, Company shall obtain and maintain at all times during the term of this Franchise Agreement statutory workers' compensation and employer's liability insurance in an amount not less than the greater of (a) any amounts required by Nevada state law or (b) One Million Dollars (\$1,000,000) and shall furnish the City with a certificate showing proof of such coverage.
- 20.4 Insurer Criteria. Any insurance provider of Company shall be admitted and authorized to do business in the State of Nevada and shall carry a minimum rating assigned by A.M. Insurance policies and certificates issued by non-admitted insurance companies are not acceptable.
- 20.5 Severability of Interest. Any deductibles or self-insured retentions must be stated on the certificate(s) of insurance, which shall be sent to and approved by the City. "Severability of interest" or "separation of insureds" clauses shall be made a part of the Commercial General Liability and Commercial Automobile Liability policies.

- 21.1 Default and Notification. This Franchise Agreement is granted upon each and every condition herein and each of the conditions is a material and essential condition to

- 21.4 Payment of Damages. Any liquidated damages assessed pursuant to this Section shall be due and payable by check mailed or delivered to the City not later than thirty (30) days after the City provides Company with notice of the assessment.
- 21.5 Remedy not Penalty. Company agrees that any failures in Subsection 21.3 above shall result in injuries to the City and its citizens and institutions, the compensation for which would be difficult to ascertain and prove, and that the amounts specified in Subsection 21.3 are liquidated damages, not a penalty or forfeiture.
- 21.6 Removal Order. In addition to the rights under this Section, the City, upon any termination, may, at its sole discretion, direct the Company to remove, at the Company's sole cost and expense, any or all of the Facilities from all Rights-of-Way within the City, subject to the following:
  - 21.6.1 City may determine that removal of buried fiber optic cable, or conduit, is not necessary;

- 21.6.5 Company shall be responsible for all necessary removals of the Facilities, and maintenance of the street area in the same manner and degree as if the Facilities were in active use, and the Company shall retain all liability associated with such removals.
- 21.6.6 In its sole discretion, City may allow Company to abandon its Facilities in place and transfer ownership of the installed Facilities to the City.
