Re: SDRC Review – Village 28 Development Plan

To Whom it May Concern:

The Summerlin Design Review Committee (SDRC) has reviewed and approved the submitted application for the V28 Development Plan. The outlined vision, including the proposed land uses, neighborhood facilities and amenities, for this village is consistent with the intent of the Summerlin West Master Plan.

Please contact me if you require any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Vincent Esposito".
