

Planning Division  
495 South Main Street  
Las Vegas, Nevada  
89101

Dear Planning Commissioners,

I am applying for a Variance to keep the carport, casita, and front yard fence I have built. I am also asking for a Special Use Permit for the casita because it has gas for stovetop use. The casita is occupied by two of my family members.

Thank you for your consideration,

Gisel Pedroza Aguilar
