**RE: October 16, 2024, City Council Meeting Holdover request for  
agenda item # 52. 24-0275-VAR 1. Applicant: Icon Power**

Dear Ms. Eddowes and Ms. Serna,

Please be advised that this firm has been retained to represent the above-mentioned matter as it pertains to the combination shade structure with solar power generator. We respectfully request an abeyance to allow us to familiarize ourselves with Staff's summary and liaise with the Ward Five office. It is my understanding that this holdover request will not inconvenience surrounding stakeholders as there have not been cards mailed in protest nor have people appeared at previous hearings to voice opposition to the matter.

In summary, I kindly ask that 24-0275-VAR1 be held from the October 16, 2024 City Council Agenda and rescheduled to the November 6, 2024 City Council Agenda.

With appreciation,

Lora Dreja
