Re: Permit for Casita at the Home of Perry and Nicole Rogers at 3000 Arabian Road

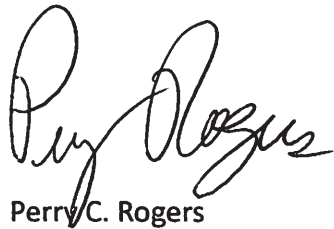

To Whom It May Concern:

My wife and I are the homeowners at 3000 Arabian Road. I have owned the home since 1999. I was born and raised in Las Vegas, and I grew up just 5 doors down from where I now live.

In 2021, we moved out of our house and did a complete remodel. Now, we are looking to expand our home by building a casita which would house three additional bedrooms, a gym and some storage. This is only for our personal use. We will not rent this casita out at any point to anyone. Since my wife is from a large family, the only thing better than 10 people at our house for the holidays is 15 people at our house for the holidays. This casita will allow us to house our family for the holidays. Additionally, we are going to build a gym because, as I am getting older (I am now 54), I need to work out more just to keep up!

The project will meet and support all existing City policies and requirements. We appreciate your consideration for the project. Thank you.
