Comments:

There are already establishments in the area that have alcohol on premise full use.

We recently had a drunk driver run into the block wall at Westcliff and Firestone.
There were also at least two other block walls damaged within the last few months in this area.

This is a safety concern please do not approve.
Thank You

Comments: I oppose the request for a proposed 4314 square-foot alcohol on-premise full use project at 301 N Buffalo Dr. I want to keep my residential neighborhood more residential and less commercial, especially when projects like this lead to more alcohol consumption on premise and the potential for higher rates of DUI's in the adjacent community. Thank you.
