**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

This is a petition to vacate a portion of a roadway slope easement generally located at the southeast corner of Iron Mountain Road and Sheep Mountain Parkway.

**ISSUES**

- A Vacation (24-0173-VAC1) is requested to vacate a portion of a roadway slope easement generally located at the southeast corner of Iron Mountain Road and Sheep Mountain Parkway. Staff supports the request.
- The subject site is located within the Skye Canyon Master Plan Area and has a Skye Canyon Land Use Designation of S (School).
- The subject site is currently undeveloped and no development is proposed at this time.
- Per Title 19.16.080.F, this Vacation request is eligible to be made Final Action at the Planning Commission.

**ANALYSIS**

The Department of Public Works has commented, "We have no objection to the vacation application request to vacate a slope easement adjacent to the Sheep Mountain Parkway. This Vacation request should be sent to all the utilities however, as no right of way is proposed to be vacated, and thus no franchise rights are involved, it is not necessary to wait for responses from any of the public utilities or other parties interested in preserving a right in this patent easement. Since only City interests are involved; any utility company's interests will need to be addressed with each respective utility company and will not be affected by the City relinquishing its interest."

**FINDINGS (24-0173-VAC1)**

Staff has no objection to the vacation of the existing roadway slope easement; therefore, staff recommends approval with conditions.
