It is timely and desired to amend various sections of the Interlocal agreement between the entities originally entered into on August 20, 2003 to 1) provide further clarity of ownership and use/enjoyment of the animal shelter facility by and between the entities; 2) establish a process for request for operational proposals; 3) extend the Interlocal's term amongst all entities; 4) establish a purchase price and terms for the City's intention to purchase the animal shelter building and its related improvements, structures, and amenities from TAF which net purchase price shall be apportioned between the entities as outlined in this Amendment; 5) establish use of new capital reserve fund and future funding of the same. In addition to the monetary contributions by Clark County and City of North Las Vegas for City of Las Vegas to purchase the animal shelter building and related facilities from TAF, each entity also agrees to pay its proportionate share of repairs, maintenance, utilities, annual premiums for insurance carried by City, and common area maintenance.
