

Justification Letter

To Whom it May Concern,

We are a fast-casual Greek restaurant located at 6420 Centennial Center Blvd, Suite 120, Las Vegas, NV 89149. In an effort to provide consistency to our customers, we would like to sell beer and wine as we do at our 4 other locations across Las Vegas and Henderson. As such, we are requesting a Special Use Permit for Alcohol on-premise beer/wine.

Our dining room has an 83-customer seating capacity and our hours of operation are Tuesday – Thursday & Sunday 11am – 9pm and Friday & Saturday 11am – 10pm, we are closed Mondays. We employ roughly 20 employees.

We currently have an active beer & wine license at our Summerlin location which is also within the City of Las Vegas jurisdiction at 8975 W Charleston Blvd, Suite 140, Las Vegas, NV 89117. It is license number G69-01571, type R09-Beer Wine On-Sale. We would like to apply for that same type of license at our Centennial location which is located within Town Center in Ward 4.

I appreciate your consideration and please feel free to contact me anytime.

Best regards,
Haroutioun Djavairian
