Re: Case numbers 23-0536-SUP1; 23-0540; 23-0540-SDR1; 23-0540-SUP1

To whom it may Concern:

I oppose the proposals to establish schools at 6250 W. Charleston Blvd., Suite #150 and 7401 W. Charleston Blvd.

It is not without good reason that the Clark County School District avoids building schools on major throughfares. The posted speed limit on W. Charleston Blvd. is 45 miles per hour. To the extent that traffic allows, motorists routinely exceed that limit, often by a considerable measure.

Many seem to have forgotten that while Bishop Gorman High School was still located on Maryland Parkway, a cheerleader was struck and killed within the crosswalk in front of the school.

Installing school zones, additional crosswalks, additional traffic lights, speed restrictions, school bus stops, or other impediments to the free flow of traffic on West Charleston Boulevard is simply not good policy.

Finally, the free flow of traffic on North Tenaya Way should not be impeded by school bus drop off or pick up. Parents dropping off or picking up students should not be permitted to do so except in the school parking lot. Parents should not be permitted to line up or otherwise stand on North Tenaya Way.

Very truly yours,

Brian K. Berman, Esq.
