Project Name: Peccole Ranch Master Association LED Sign

Project # 25-0021

Peccole Ranch Master Association
9501 Red Hills Rd. Las Vegas, NV 89117-0862

APN# 16306610002

Pre-App# 103048-PRE

Substance of Request:

Proposed: Replace existing illuminated single sided sign facing Red Hills Road with a double face illumination sign with LED message center.

Application: We are submitting a sign permit application to allow an electronic message unit (LED ILLUMINATED DISPLAY)

Location: The sign will be at 9501 Red Hills Road. The new sign placement has been mitigated to not impact the 2 closest neighbors that are within 150 feet.

Purpose: The existing sign is now old and decaying. The proposed replacement LED sign will be able to keep the homeowners informed of events, meetings or public notifications including safety issues.
