

RESOLUTION NO. R-39-2024

**A RESOLUTION RELATING TO A TOURISM IMPROVEMENT DISTRICT
IN THE CITY OF LAS VEGAS; AND
PROVIDING OTHER MATTERS PROPERLY RELATED THERETO**

WHEREAS, the City Council (the "City Council") of the City of Las Vegas, Nevada (the "City"), in the State of Nevada (the "State") desires to consider adopting an ordinance pursuant to NRS 271A.070 creating a Tourism Improvement District (the "TID" or "District") as further described as parcels adjacent to and generally bounded by Charleston Boulevard to the South, Union Pacific Railroad to the West, Bonneville Avenue and East Cass Avenue to the North, and South Main Street and South 3rd Street to the East as depicted on the Site Map attached hereto; and

WHEREAS, Nevada Revised Statute ("NRS") 271A.080 provides in part as follows:

"NRS 271A.080. The governing body of a municipality shall not adopt an ordinance pursuant to NRS 271A.070 unless:

1. If the ordinance:

(a) Creates a district, the governing body has determined that no retailers will have maintained or will be maintaining a fixed place of business within the district on or within the 120 days immediately preceding the date of the adoption of the ordinance; or

(b) Amends the boundaries of the district to add any additional area, the governing body has determined that no retailers will have maintained or will be maintaining a fixed place of business within that area on or within 120 days immediately preceding the date of the adoption of the ordinance.

2. The governing body has made a written finding at a public hearing that the project will benefit the district.

3. The governing body has made a written finding at a public hearing, based upon reports from independent consultants which were addressed to the governing body and to the board of county commissioners, if the governing body is not the board of county commissioners for the county in which the tourism improvement district is or will be located, as to whether the project and the financing thereof pursuant to this chapter will have a positive fiscal effect on the provision of local governmental services, after considering:

(a) The amount of the proceeds of all taxes and other governmental revenue projected to be received as a result of the properties and businesses expected to be located in the district;

(b) The use of any money proposed to be pledged pursuant to NRS 271A.070;

(c) Any increase in costs for the provision of local governmental services, including, without limitation, services for education, including operational and capital costs, and services for police protection and fire protection, as a result of the project and the development of land within the district; and

(d) Estimates of any increases in the proceeds from sales and use taxes collected by retailers located outside of the district and of any displacement of the proceeds from sales and use taxes collected by those retailers, as a result of the properties and businesses expected to be located in the district.

The reports required from independent consultants pursuant to this subsection must be obtained from independent consultants selected by the governing body from a list of independent consultants provided by the Commission on Tourism. For the purposes of this subsection, the Commission shall, upon the request of a governing body, provide the governing body with a list of at least three qualified independent consultants, each of whom must be located outside of this State.

4. If the governing body is not the board of county commissioners for the county in which the tourism improvement district is or will be located, the governing body has, at least 45 days before making the written finding required by subsection 3, provided to the board of county commissioners in the county in which the tourism improvement district is or will be located:

(a) Written notice of the time and place of the meeting at which the governing body will consider making that written finding; and

(b) Each analysis prepared by or for or presented to the governing body regarding the fiscal effect of the project and the use of any money proposed to be pledged pursuant to NRS 271A.070 on the provision of local governmental services.

After the receipt of the notice required by this subsection and before the date of the meeting at which the governing body will consider making the written finding required by subsection 3, the board of county commissioners may conduct a hearing regarding the fiscal effect on local governmental services, if any, of the project and the use of any money proposed to be pledged pursuant to NRS 271A.070, and may submit to the governing body of the municipality any comments regarding that fiscal effect. The governing body may consider those comments when making any written finding pursuant to subsection 3 and shall consider those comments when considering the terms of any agreement pursuant to NRS 271A.110.

5. The governing body has determined, at a public hearing conducted at least 15 days after providing notice of the hearing by publication, that:

(a) As a result of the project:

(1) Retailers will locate their businesses as such in the district; and

(2) There will be a substantial increase in the proceeds from sales and use taxes remitted by retailers with regard to tangible personal property sold at retail, or stored, used or otherwise consumed, in the district; and

(b) A preponderance of that increase in the proceeds from sales and use taxes will be attributable to transactions with tourists who are not residents of this State.

6. The Commission on Tourism has determined, at a public hearing conducted at least 15 days after providing notice of the hearing by publication, that a preponderance of the increase in the proceeds from sales and use taxes identified pursuant to subsection 5 will be attributable to transactions with tourists who are not residents of this State.

7. If any property within the boundaries of the district is also included within the boundaries of any other tourism improvement district or any improvement district for which any money has been pledged pursuant to NRS 271.650, all of the governing bodies which created those districts have entered into an interlocal agreement providing for:

(a) The apportionment of any money pledged pursuant to NRS 271.650 and 271A.070 with respect to such property; and

(b) The priority of the application of that money between:

(1) Bonds issued pursuant to chapter 271 of NRS; and

(2) Bonds and notes issued, and agreements entered into, pursuant to NRS 271A.120.

Any such agreement for the priority of the application of that money may be made irrevocable during the term of any bonds issued pursuant to chapter 271 of NRS to which all or any portion of that money is pledged, or during the term of any bonds or notes issued or any agreements entered into pursuant to NRS 271A.120 to which all or any portion of that money is pledged."

; and

WHEREAS, Subsections 1 through 3 of NRS 360.855 provide as follows:

"1. The State Controller, acting upon the collection data furnished by the Department, shall remit to the governing body of a municipality that adopts an ordinance pursuant to NRS 271A.070, in the manner provided pursuant to an agreement made pursuant to NRS 271A.100:

(a) From the State General Fund the amount of money pledged pursuant to the ordinance in accordance with subparagraph (1) of paragraph (c) of subsection 1 of NRS 271A.070, which amount is hereby appropriated for that purpose; and

(b) From the Sales and Use Tax Account in the State General Fund the amount of the proceeds pledged pursuant to the ordinance in accordance with subparagraphs (2) and (3) of paragraph (c) of subsection 1 of NRS 271A.070.

2. Except as otherwise provided in subsection 3, the governing body of a municipality that adopts an ordinance pursuant to NRS 271A.070 shall at the end of each fiscal year remit to the State Controller any amount received pursuant to this section in excess of the amount required to make payments due during that fiscal year of the principal of, interest on, and other payments or security-related costs with respect to, any bonds or notes issued pursuant to NRS 271A.120 and payments due during that fiscal year under any agreements made pursuant to NRS 271A.120. The State Controller shall deposit any money received from a governing body of a municipality pursuant to this subsection in the appropriate account in the State General Fund for distribution and use as if the money had not been pledged by an ordinance adopted pursuant to NRS 271A.070, in the following order of priority:

(a) First, to the credit of the county school district fund for the county in which the improvement district is located to the extent that the money would have been transferred to that fund, if not for the pledge of the money pursuant to that ordinance, pursuant to paragraph (e) of subsection 3 of NRS 374.785 for the fiscal year in which the State Controller receives the money;

(b) Second, to the State General Fund to the extent that the money would not have been appropriated, if not for the pledge of the money pursuant to that ordinance, pursuant to paragraph (a) of subsection 1 for the fiscal year in which the State Controller receives the money; and

(c) Third, to the credit of any other funds and accounts to which the money would have been distributed, if not for the pledge of the money pursuant to that ordinance, for the fiscal year in which the State Controller receives the money.

3. The provisions of subsection 2 do not require a governing body to remit to the State Controller any money received pursuant to this section and expended for the purpose of prepaying, defeasing or otherwise retiring all or a portion of any bonds or notes issued pursuant to NRS 271A.120 or of prepaying amounts due under any agreements entered into pursuant to NRS 271A.120, or any combination thereof, with respect to a tourism improvement district if that use of the money has been:

(a) Authorized by the governing body in the ordinance creating the district pursuant to NRS 271A.070, or in an amendment thereto; and

(b) Approved by the governing body and the Commission on Tourism in the manner required to satisfy the requirements of subsections 5 and 6 of NRS 271A.080, and after the provision of notice to and an opportunity to make comments by the board of county commissioners of the county in which the tourism improvement district is located in accordance with subsection 4 of NRS 271A.080.

4. The Nevada Tax Commission may adopt such regulations as it deems appropriate to ensure the proper collection and distribution of any money pledged by an ordinance adopted pursuant to NRS 271A.070."

; and

WHEREAS, the City desires to consider approving and authorizing and to seek approval of the use of money received pursuant to subsection 1 of NRS 360.855 that is not needed to make payments due during a fiscal year of the principal of, interest on, and other payments or security-related costs with respect to, any bonds or notes issued pursuant to NRS 271A.120 and payments due during that fiscal year under any agreements made pursuant to NRS 271A.120 for the purpose of prepaying, defeasing or otherwise retiring all or a portion of any bonds or notes issued pursuant to NRS 271A.120 or of prepaying amounts due under any agreements entered into pursuant to NRS 271A.120, or any combination thereof, with respect to the TID; and

WHEREAS, the City desires to select an independent consultant selected by the governing body from a list of independent consultants provided by the Commission on Tourism for the purposes of providing a report or reports for the Council to consider (i) making the findings specified in Subsections 2, 3 and 6 of NRS 271A.080, and (ii) approving the use of monies pursuant to paragraph (a) of Subsection 3 of NRS 360.855.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LAS VEGAS, NEVADA:
