DISCUSSION

SUBJECT:
BOARDS AND COMMISSIONS:

Discussion for possible action regarding the appointments of the City of Las Vegas employees Charles Trushel and Dan Combs (as Board Members) and Dawn Boyer, Tom Hornsby and Chris Marinch (as Alternates) to the Sewage and Wastewater Advisory Committee (SWAC)

FISCAL IMPACT:
None

PURPOSE/BACKGROUND:
The County Sewage and Wastewater Advisory Committee (SWAC) was established by the Nevada Legislature in 1973. Per NRS 244A.497, the three members and alternates appointed by the City are required to be City employees or actively engaged in the operations or management of sewer facilities. Mark Dunbar was appointed to the board in 2018, however he no longer works for the City and a replacement must be named. The Public Works director is recommending the appointment of Charles Trushel, Environmental Manager, and Dan Combs, Plant Operations & Maintenance Manager, as Board Members and Dawn Boyer, Environmental Laboratory & Compliance Manager, Tom Hornsby, Plant Operations & Maintenance Supervisor, and Chris Marinch, Senior Management Analyst, as Alternates to insure the City is properly represented at meetings.
