Fishing Licenses

FREE for kids 12-17 years old

Thanks to generous donations made by members of the public to the Nevada Youth License Fund the Nevada Department of Wildlife (NDOW) is offering youth combination (fishing/hunting) licenses to anyone 12-17 years old at no cost to them, while supplies last!

A youth combination license allows the holder to legally fish in Nevada for one year from the issuance date, and after completing a hunter education course would also allow the holder to legally hunt. NDOW regularly sells youth combination licenses to anyone 12-17 years old for \$15. Kids younger than 12 years old don't need a license to legally fish in Nevada!

Scan the QR code below, sign-up for an account and download an electronic copy of your license today!
