Wednesday, October 9 | 5:00-6:30PM
CCSD Family Support Center
1720 S Maryland Pkwy, Las Vegas, NV 89104

Tilson crews will be in your area over the next couple of months to install fiber cables, and you'll easily recognize us by our green hard hats. Join us on **October 9th** to learn more about the fiber construction process and what it means for your home. We'll cover a variety of topics, including:

What to Expect: Understand the construction process, so you know exactly what's happening at every stage over the next few months.

How Long Will Construction Take: Get a clear understanding of the construction timeline to help you anticipate when work will take place and how it will progress over the next few months.

Minimizing Disruptions: Learn about our strategies to minimize noise, reduce traffic disruptions, and maintain access to your property while we work.
