PURPOSE/BACKGROUND:

The Transportation Engineering Division of the City of Las Vegas (CLV) was asked by the Parks, Recreation and Cultural Affairs Department in April 2023 to better define parking requirements on Racel Street between Cimarron Road and Ninth Island Court. To provide consistency for parking along the corridor and safety for pedestrians at the mid-block crossing locations, the Transportation Engineering Division recommends installing "PARALLEL PARKING ONLY" and "NO PARKING FROM DUSK TO DAWN" signs along the park frontage, and restricting parking within 20' of both midblock pedestrian crossing locations and park access locations, per city municipal code (Title 11). The Traffic and Parking Commission approved installing restricted parking on Racel Street between Cimarron Road and Ninth Island Court at their board meeting on December 14, 2023.
