Re: Replacement of Brian Oswalt and Appointment of Alternate SWAC Members

The City of Las Vegas appoints three members to serve on the Technical Advisory Committee for the County Sewage and Wastewater Advisory Committee (SWAC). Brian Oswalt, former O&M Manager, was one of the three members serving on this committee. Mr. Oswalt is no longer employed by the City of Las Vegas. We are requesting that an agenda item be placed on the November 18, 2020 City Council Meeting Agenda for discussion and possible action to appoint a new member to the County Sewage and Wastewater Advisory Committee (SWAC). The Department of Public Works recommends the Appointment of Sharon Harney, Environmental Laboratory & Compliance Manager, to replace Brian Oswalt as a member of SWAC. To ensure the City is properly represented and meets quorum we are recommending appointing two more employees to serve as alternates. Dan Combs, Plant Operations & Maintenance Supervisor, and Nalleli Herrera, Environmental Laboratory Supervisor, would join Charles Trushel, Plant Operations & Maintenance Supervisor, as alternates for the City of Las Vegas.
